Skyview Middle School Student Drop-off and Pick-up Options

If a student is going to be dropped-off and/or picked-up from school, there are **ONLY THREE** options. Please refer to the above map as a visual reference while reading the following information.

Option #1: The North Parking Lot. This location is new this year! If you choose to utilize this drop-off/pick-up location, you must enter by first traveling south on Camino de Bravo and then turning right into the North lot. Please park **ONLY** in the yellow parking spaces as the white parking spaces are for staff use only. Your student will be waiting near the bike rack until you are securely parked. SVM staff will be present to ensure a safe transition for your student. To exit the North lot, you must turn right onto Camino de Bravo. DO NOT turn left as you exit the parking lot.

Option #2: Camino de Bravo Crosswalk. If you are traveling north on Camino de Bravo, you may pull over on the right-hand shoulder, where your student will utilize the crosswalk. A crossing guard will be present to assist them safely across the street. It is a similar process when being picked up. A word of caution; please make sure your student is only exiting and entering on the passenger side of your vehicle. This is the easiest and quickest way to drop-off and pick-up students.

Option #3: Parent Loop. When traveling south on Camino de Bravo, if you don't want to utilize the North parking lot, you may also wait in the parent loop line with other vehicles, keeping to the right, and eventually making your way through the Parent Loop. Keep in mind, when exiting the Parent Loop, you can ONLY turn RIGHT.

Note: The East lot (in front of the school) is not a designated drop-off or pick-up location. Please do not utilize this location to drop-off or pick-up your student.
