Background:

The NFTE curriculum allows students to experience and learn the development and operation of entrepreneurship. Project-based learning and other guided classroom activities culminate in a regional competition, where students present their business plans and product designs. The NFTE curriculum aligns with the Department of Education's initiative to engage students in the world of Entrepreneurship. Upon approval of this Agreement, all middle and high schools will have the opportunity to access this Curriculum and will be able to engage in NFTE's competitions.
