

Welcome to TK

We are always looking to fill our room with materials and supplies that will benefit our students, teachers, and classroom environment throughout the school year. Providing classroom supplies are optional, but are greatly appreciated as we tend to go through consumable items fairly quickly. We thank you in advance for your generosity and contribution. These items include, but are not limited to:

- Ziploc bags
- Kleenex/tissues
- Baby wipes
- Paper towels
- Clorox wipes
- Hand sanitizer
- Washable Crayola Crayons
- Washable Crayola Markers
- Expo markers
- Glue Sticks

We greatly appreciate you!

Love, the TK team ❤️
