AUGUST 2025

Welcome from the Principal

Dear Virtual School Families,

Welcome to the 2025–2026 academic year!

It is my great honor to introduce myself as the new Principal of our K–12 Virtual School. As we prepare for an exciting year ahead, I'd like to share a bit about myself, my vision, and what you can expect in the coming months.

My name is Latifa Oudghiri, and I bring over 25 years of experience serving in our district. I've had the privilege of working in various roles—teaching French and English Language Learners, and leading schools from Pre-K through 12th grade. My passion lies in creating learning environments that are inclusive, student-centered, and future-ready.

Our Virtual School is a vibrant and dynamic learning community where students are not only challenged academically, but also supported socially and emotionally. We are committed to fostering meaningful connections among students, teachers, and families to ensure every learner thrives.

I look forward to partnering with you and your children on this journey. Our virtual school is more than just a platform—it is a community. I am here to ensure that every student is equipped with the tools, support, and encouragement needed to succeed.

Latifa Oudghiri
Principal
