# Introduction

Interscholastic athletics can be a fun, rewarding, and memorable part of the high school experience. While academics offer the primary source for formal education, athletics can contribute to the total value of that education in many ways. Building upon the concepts of teamwork, fair play, sportsmanship, and self-esteem, athletics can help provide for a well-rounded educational experience.

Athletic participation is a privilege and not a right. To those who strive to succeed in the classroom comes the privilege to compete outside of it. Being an athlete, or the parent of an athlete, is often a very challenging task. Sometimes this relationship can become complicated by the nature and structure of athletics in general.

It is the intent of this Athletic Manual to provide some insights into the role and responsibilities athletes and parents face and share, separately and together, in the realm of high school athletic participation. The high school sport experience is much different than the recreational sport experience. Whereas recreational sport philosophy stresses equal participation by all, at the interscholastic level playing time is earned and not guaranteed.

Coaches are responsible for the selection of the team rosters and for the determination of playing time for those on the team.

# **Athletic Chain of Command**

Player

Coach

Athletic Director

Principal

If there are any questions or concerns regarding any aspect of the Player - Coach relationship, the athlete should first contact the appropriate coach. If there is no resolution at this level, she should then move to the next level in the Chain of Command until there is a consensus on a resolution.

The Chain of command is a step - by - step process of bringing together the primary individuals for discussion purposes. Each level is in place to facilitate the process of conflict resolution.

Parents are also asked to respect this Chain of Command model regarding problem resolution.

This manual outlines the basic policy for students and parents. A coach may have additional guidelines which have been reviewed and approved by the Athletic Director.

## **Ursuline Prayer**

Gracious God, we come before you and ask for your blessing. Give us the grace to model the Ursuline values of service, courtesy, loyalty, and courage by attitude and action. Guide us, that in the spirit of St. Angela, our relationships with others may be rooted in reverence, respect, and loving kindness. Let deep faith, trust, and joy give energy to our efforts as we seek to serve You and Your people with a generous and open heart. Grant this in Jesus' name and through the intercession of Saint Angela.

**St. Angela**, watch over the days of our youth.

**St. Ursula**, protect our future.

**Our Lady of Prompt Succor**, hasten to help us.

# Alma Mater

Ursuline, to dear old Ursuline,  
We pledge our endless love today.

Ursuline, forever Ursuline,  
Though life may lead us far away.

Lamp that lights the flame  
Of all our hopes and dreams.

Beacon bright that guides us

Onward with its beams.

Happy hours within your sacred hall

Cherished memories.

Ursuline, to dear old Ursuline,  
We pledge our endless love today.

Ursuline, forever Ursuline,  
Though life may lead us far away.

Alma Mater beautiful,

Starlike ever shine,

On our paths

To guide our faltering steps,

Home at last,

Dear Ursuline.

# Fight Song

All students are also required to pass a health physical, and all athletic forms must be submitted and acknowledged by both the Athletic Training Staff and the Athletic Director before the student is eligible to try out.

Ursuline Academy is a member of the Louisiana High School Athletic Association (LHSAA) and follows its rules and regulations. Parents and student-athletes should be familiar with the LHSAA rules and regulations found on the LHSAA website ([www.lhsaa.org](http://www.lhsaa.org)).

### **DISCIPLINE**

Consistency and fairness are the most important factors in dealing with discipline issues. However, unique situations may occur; therefore, coaches should objectively evaluate each situation and decide based on the facts of the individual situation.

- Any violation of a major school rule should be reported to both the Athletic Director, Principal, and the Dean of Students.
- The High School Administrative Team has final authority concerning the discipline resulting from a violation of a major school rule.
- The discipline given by the administration does not preclude the head coach of the sport from also disciplining the offending student-athlete.
- Any student-athlete who withdraws, resigns, or is dismissed from a team prior to the conclusion of the season must obtain approval from the Athletic Director before participating in any other sport, in accordance with the LHSAA sports season calendar and the discretion of the Athletic Administration. Additionally, an athlete who is dismissed or resigns from a team will not be recognized as a member of that team during awards ceremonies.

### **FACILITIES**

- Priority for the use of the Wellness Center, Ourso gym, tennis courts, and softball field is given to official Ursuline Academy athletic events and practices.
- Head coaches are responsible for securing each facility through the Athletic Director.
- Facility rental by outside groups will be handled through the Athletic Director and the Advancement Team.
- Student-athletes must respect school property and maintain conditions in which the property was prior to use.
- The concession stand must be always secured. Students may not have access to the concession stand without supervision.
- Storage areas must be always secured.
- Students may not have access to storage areas or athletic offices without proper supervision.
- Offices must always be locked when a coach is not present and cannot be used as a student lounge.
- Locker rooms must be secured after everyone has left the premises. Students need to be reminded to place any valuables in their lockers and lock them. All athletes are responsible for any personal items that are lost or missing.
- Coaches are responsible for the condition of the gym, gym foyer, softball field, locker rooms, respective offices, and equipment.

All injuries incurred by a player, whether in practice, competition, or driving/riding to or from a game, must be reported by the coach to the parents and Ursuline's Athletic Trainer as soon as possible. The athletic trainer will then recommend the proper course of action for treatment and rehab of said injury. The coach must fill out an accident report to keep on file within one day of the date of the injury. The accident report must be given to the Athletic Director, Athletic Trainer, and Business Department. All injuries must be reported, this includes minor and major injuries. Appropriate on-site treatment will be administered by coaches or available medical personnel.

The Athletic Director and the Athletic Trainer must be notified of any injury as soon as possible. If an athlete has to be taken to the hospital or Emergency Room, then the Athletic Director and Principal must be immediately notified.

Release forms for emergency care will be on file with each coach and carried to each contest or off campus practice site. Parents/guardians are responsible for maintaining current, updated numbers and records for contact and other purposes. Parents are responsible to report any updated medical conditions or information concerning students in writing, as situations change throughout the school year.

All athletes must take the IMPACT concussion test. The Athletic Trainer will coordinate with each coach on a time and date to test the athletes. Ochsner will be providing the test to the Academy at no cost.

## **MULTIPLE TEAMS**

Multiple Sports are encouraged at Ursuline Academy.

In fairness to coaches and teammates, a student-athlete can change teams only after the following criteria have been met:

- The student-athlete has not been selected for a team after tryouts and is therefore eligible to try out for any other team provided that team has not completed its tryout process.
- All uniform and equipment obligations must be met before participation in another tryout.
- Any athlete dismissed from a team must have the original coach and Athletic Director's approval before joining another team.

## **ATHLETICS**

### **POSTSEASON DUTIES**

At the conclusion of each season, coaches are required to complete the following duties:

- Submit a final team roster to the Athletic Director; including number of years played by each member.
- Submit individual and team statistics, accomplishments, and scores.
- Submit a list of award winners; MVP, MIP, and Coaches Award
- Meet with the Athletic Director (end of season wrap-up) to discuss season and goals for next year.
- Collect uniforms.
- Clean, inventory, and store all equipment and uniforms.
- Notify the Athletic Director of any special thank-you notes that should be sent to individuals who were especially generous and/or helpful to the sport.

### **PRESS RELATIONS AND PUBLICITY**

- Each head coach of a high school varsity sport is responsible for posting the results of every athletic contest to the LHSAA database.
- All press releases must go through the Academy's Communications Director and Athletic Director.

### **SOCIAL MEDIA/ELECTRONIC COMMUNICATION**

This policy applies to all online or mobile-based tools for sharing content and discussion.

- Any sports team that would like to have their own social media page must be approved by the Academy's Communications Director and Athletic Director this includes, but not limited to any social media platform. The head coach is responsible for the postings and maintenance of this account and will be liable for any inappropriate content.
- Social media includes any activities that integrate technology, telecommunications, and social interactions through the use of words and/or images.
  - -Examples of social media include, but are not limited to, social websites such as Facebook, LinkedIn, Twitter, Instagram, Snapchat, TikTok, blogs, message boards, wikis, podcasts, and image-producing sites such as YouTube, live webcasting, and real-time web communities.

Today, much of our communication is done over the internet and group apps. Therefore, it is important to remember that your online behavior directly reflects on your professionalism and Ursuline Academy.

- For this reason, Ursuline Academy faculty, staff, and students shall not post on any social media site comments, postings, or photographs that are provocative, disruptive to the educational process, publicize personal information of any student, or jeopardize the professional nature of the student/staff relationship.
- No Ursuline employees may "friend" or accept a "friend" request from any Ursuline Academy student who is not a family member until such time when the student has graduated from (any) high school. There are no exceptions to this policy.

- All social media sites should be used with prudence because of the private, “friend-like” relationships that can be fostered. Any form of inappropriate communication with a student by an employee, electronic or otherwise, will result in serious consequences, with a likely outcome being that employee’s termination from Ursuline Academy.
- No coach may ask for or use a student’s cell phone number without the written authorization of the parent.
- This includes sending group text messages about school events.
- A form for written authorization is available in your files sent by the Athletic Director.
- If a coach receives a text message or call on her/his personal cell phone from a student-athlete for whom s/he does not have the authorization to contact by cell phone, or if the communication exceeds the limited purpose on the permission form, the coach is to report the contact to the principal.
  - Ursuline Academy provides students and employees with extensive technology resources to promote educational excellence by facilitating resource sharing, innovation, and communication within our own community and the world. As members of the Ursuline Academy, employees agree to commit to the school’s values and support the needs of the community.
  - In our use of technology, as in all things, employees will follow the guidelines for Student Teacher Relationships found in the Faculty Handbook, as well as the Ursuline Academy’s Harassment Policy as stated in this Employee Handbook.

  - Employees will not use school logos, trademarks, and intellectual property in any personal postings without the written consent of Ursuline’s Director of Communications.
  - For any individual social media page,, the password and email address used on that page must be shared with the Communications Director.
  - In the publishing and/or transmission of documents, images, videos, or other media, employees are obliged to follow current copyright guidelines:
- We know that the school network is a shared community. What is said and done online can be viewed globally.
- Employees must not use social media to disparage Ursuline Academy, its employees, parents, or any of its affiliates.

It is the employee’s responsibility to back up all personal files and applications.

As individuals using Ursuline Academy’s computing and network resources, we understand that the school may monitor computers and other devices in the ordinary course of network administration and software maintenance, to protect the security of the network, the safety of students, and employees, and the reputation of the school. ## LHSAA SUBSTANCE ABUSE/MISUSE CONTRACT AND CONSENT FORM

*This form must be completed and signed and kept on file with the school and is subject to inspection by the LHSAA Rules Compliance Team.*

As an LHSAA athlete, I, \_\_\_\_\_, agree to avoid the abuse or misuse of legal or illegal substances, including anabolic steroids and other performance enhancing drugs. I hereby grant permission to be tested for substance abuse/misuse as a participant in any LHSAA sports program. I furthermore agree to cooperate by providing a urine or hair specimen for testing upon the request of my principal. I understand that should my specimen indicate the abuse or misuse of legal or illegal substances, I will be subject to action specified in my School Drug Policy for Student Athletes.

I, \_\_\_\_\_, parent/guardian of the undersigned student-athlete, individually, and on behalf of my child, do hereby grant permission for and consent to said child being tested for substance abuse/misuse in accordance with his/her School Drug Policy for Student-Athletes and I understand that if any specimen taken from him/her indicates abuse or misuse of legal or illegal substances, including anabolic steroids and other performance enhancing drugs, he/she will be subject to action specified in the School Drug Policy for Student-Athletes for his/her school.

**Notes:** Rule 1.10.2 of the LHSAA By-Laws, states that this contract shall remain in effect for the remainder of the student's eligibility. This means the contract only has to be signed once by both the student and his/her parent or guardian but the terms remain in effect for the student's entire high school career.

According to Rule 1.10.3 of the LHSAA By-Laws, without the signature of the student athlete and his/her parent/guardian, the student is ineligible to participate in interscholastic athletic contests at all levels of play in all LHSAA sports at all LHSAA schools until compliance with Rule 1.10.2 is obtained from both parties.

Any student participating in an interscholastic athletic contest(s) without a properly signed contract shall be classified as an ineligible student and both the student and school shall be penalized according to Rule 1.10.3.

Signature of the LHSAA's contract does not necessarily mean the student athlete will be tested. Federal courts have consistently ruled participation in high school athletics is a privilege, not an educational right.

# A FACT SHEET FOR High School Athletes

This sheet has information to help you protect yourself from concussion or other serious brain injury and know what to do if a concussion occurs.

## WHAT IS A CONCUSSION?

A concussion is a brain injury that affects how your brain works. It can happen when your brain gets bounced around in your skull after a fall or hit to the head.

## What Should I Do If I Think I Have a Concussion?

**Report It.** Tell your coach, parent, and athletic trainer if you think you or one of your teammates may have a concussion. It's up to you to report your symptoms. Your coach and team are relying on you. Plus, you won't play your best if you are not feeling well.

**Get Checked Out.** If you think you have a concussion, do not return to play on the day of the injury. Only a healthcare provider can tell whether you have a concussion and when it is OK to return to school and play. The sooner you get checked out, the sooner you may be able to safely return to play.

**Give Your Brain Time to Heal.** A concussion can make everyday activities, such as going to school, harder. You may need extra help getting back to your normal activities. Be sure to update your parents and doctor about how you are feeling.

## Why Should I Tell My Coach and Parent About My Symptoms?

- Playing or practicing with a concussion is dangerous and can lead to a longer recovery.
- While your brain is still healing, you are much more likely to have another concussion. This can put you at risk for a more serious injury to your brain and can even be fatal.

GOOD TEAMMATES KNOW:  
IT'S BETTER TO MISS ONE GAME THAN THE WHOLE SEASON.

[cdc.gov/HEADSUP](https://cdc.gov/HEADSUP)

## How Can I Tell If I Have a Concussion?

You may have a concussion if you have any of these symptoms after a bump, blow, or jolt to the head or body:

-  ..... **Get a headache**
-  ..... **Feel dizzy, sluggish, or foggy**
-  ..... **Are bothered by light or noise**
-  ..... **Have double or blurry vision**
-  ..... **Vomit or feel sick to your stomach**
-  ..... **Have trouble focusing or problems remembering**
-  ..... **Feel more emotional or "down"**
-  ..... **Feel confused**
-  ..... **Have problems with sleep**

Concussion symptoms usually show up right away, but you might not notice that something "isn't right" for hours or days. A concussion feels different to each person, so it is important to tell your parents and doctor how you are feeling.

## How Can I Help My Team?

### **Protect Your Brain.**

Avoid hits to the head and follow the rules for safe and fair play to lower your chances of getting a concussion. Ask your coaches for more tips.

### **Be a Team Player.**

You play an important role as part of a team. Encourage your teammates to report their symptoms and help them feel comfortable taking the time they need to get better.

The information provided in this document or through linkages to other sites is not a substitute for medical or professional care. Questions about diagnosis and treatment for concussion should be directed to a physician or other healthcare provider.

## A FACT SHEET FOR Parents

### What is a concussion?

A concussion is a type of brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move rapidly back and forth. Even what seems to be a mild bump to the head can be serious. Concussions can have a more serious effect on a young, developing brain and need to be addressed correctly.

### What are the signs and symptoms of a concussion?

You can't see a concussion. Signs and symptoms of concussion can show up right after an injury or may not appear or be noticed until hours or days after the injury. It is important to watch for changes in how your child or teen is acting or feeling, if symptoms are getting worse, or if s/he just "doesn't feel right." Most concussions occur without loss of consciousness.

If your child or teen reports one or more of the symptoms of concussion listed below, or if you notice the signs or symptoms yourself, seek medical attention right away. Children and teens are among those at greatest risk for concussion.

## Signs & Symptoms of a Concussion

### Signs Observed by Parents or Guardians

- Appears dazed or stunned
- Is confused about events
- Answers questions slowly
- Repeats questions
- Can't recall events prior to hit, bump, or fall
- Can't recall events after hit, bump, or fall
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Forgets class schedule or assignments

### Symptoms Reported by Your Child or Teen

#### Thinking/Remembering

- Difficulty thinking clearly
- Difficulty concentrating or remembering
- Feeling more slowed down
- Feeling sluggish, hazy, foggy, or groggy

#### Physical

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Fatigue or feeling tired
- Blurry or double vision
- Sensitivity to light or noise
- Numbness or tingling
- Does not "feel right"

#### Emotional

- Irritable
- Sad
- More emotional than usual
- Nervous

#### Sleep\*

- Drowsy
- Sleeps less than usual
- Sleeps more than usual

*\*Only ask about sleep symptoms if the injury occurred on a prior day.*

## Danger Signs

**Be alert for symptoms that worsen over time. Your child or teen should be seen in an emergency department right away if she or he has one or more of these danger signs:**

- One pupil (the black part in the middle of the eye) larger than the other
- Drowsiness or cannot be awakened
- A headache that gets worse and does not go away
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Difficulty recognizing people or places
- Increasing confusion, restlessness, or agitation
- Unusual behavior
- Loss of consciousness (even a brief loss of consciousness should be taken seriously)

**Children and teens with a suspected concussion should NEVER return to sports or recreation activities on the same day the injury occurred.**

They should delay returning to their activities until a healthcare provider experienced in evaluating for concussion says it's OK to return to play. This means, until permitted, not returning to:

- Physical Education (PE) class
- Sports practices or games
- Physical activity at recess

### ➤ What should I do if my child or teen has a concussion?

#### 1. Seek medical attention right away.

A healthcare provider experienced in evaluating for concussion can determine how serious the concussion is and when it is safe for your child or teen to return to normal activities, including physical activity and school (concentration and learning activities).

#### 2. Help them take time to get better.

If your child or teen has a concussion, her or his brain needs time to heal. Your child or teen may need to limit activities while s/he is recovering from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games may cause concussion symptoms (such as headache or tiredness) to reappear or get worse. After a concussion, physical and cognitive activities—such as concentration and learning—should be carefully managed and monitored by a healthcare provider.

#### 3. Talk to your child or teen about how they are feeling.

Your child may feel frustrated, sad, and even angry because s/he cannot return to recreation and sports right away, or cannot keep up with schoolwork. Your child may also feel isolated from peers and social networks. Talk often with your child about these issues and offer your support and encouragement.

To learn more, go to [www.cdc.gov/HEADSUP](http://www.cdc.gov/HEADSUP) or call 1.800.CDC.INFO

January 2021

### ➤ How can I help my child return to school safely after a concussion?

Most children can return to school within a few days. Help your child or teen get needed support when returning to school after a concussion. Talk with your child's teachers, school nurse, coach, speech-language pathologist, or counselor about your child's concussion and symptoms.

Your child's or teen's healthcare provider can use CDC's Letter to Schools to provide strategies to help the school set up any needed supports.

As your child's symptoms decrease, the extra help or support can be removed gradually. Children and teens who return to school after a concussion may need to:

- Take rest breaks as needed
- Spend fewer hours at school
- Be given more time to take tests or complete assignments
- Receive help with schoolwork
- Reduce time spent reading, writing, or on the computer
- Sit out of physical activities, such as recess, PE, and sports until approved by a healthcare provider
- Complete fewer assignments
- Avoid noisy and over-stimulating environments

		A concussion is a brain injury which I am responsible for reporting to my coach, athletic trainer, or health care provider.
		A concussion can affect my ability to perform everyday activities, and affect reaction time, balance, sleep, and classroom performance. You cannot always see a concussion, but you might notice some of the symptoms right away. Other symptoms can show up hours or days after the injury.
		Athletes shall not return to play in a game or practice on the same day that they are suspected of having a concussion.
		Athletes diagnosed with a concussion must be assessed by a health care provider. Athletes will begin a graduated return to play protocol following full recovery of neurocognition and balance.
		Concussed athletes are much more likely to experience complications if they return to play before symptoms resolve including but not limited to permanent brain damage or even death.

I commit to the following:

		I will report all injuries and illnesses to my coach, athletic trainer and/or health care provider.
		I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion-related symptoms.

# Important Information about Sudden Cardiac Arrest for Parents and Student Athletes

---

*Starting August 1, 2024, Louisiana Law [Act 421 (R.S. 17:440.3)] requires schools to inform parents and student athletes about heart health. Schools must provide written information about the requirements a student athlete who has or has had a heart-related issue must meet before participating in sports. This information must be given to parents and guardians, and they must sign to show they have received and understood it. This ensures proper communication and safety measures are in place for student athletes returning to play.*

## What is Sudden Cardiac Arrest (SCA)?

Sudden Cardiac Arrest is the sudden loss of all heart activity (i.e. the heart stops beating). This stops blood flow to the body's organs. It usually occurs because of an abnormal heart rhythm called ventricular fibrillation. If CPR is not started quickly, SCA can lead to death within minutes.

## Warning Signs and Symptoms of SCA

- Sudden collapse;
- No pulse;
- No breathing;
- Loss of consciousness

Sometimes other symptoms occur before sudden cardiac arrest. These might include:

- Chest discomfort.
- Shortness of breath.
- Weakness.
- Fast-beating, fluttering or pounding heart; called palpitations.

*But sudden cardiac arrest often occurs with no warning. **If any of these symptoms occur during exercise, the student athlete should STOP PLAY AND SEE A HEALTH CARE PROVIDER immediately.***

## Possible Causes of SCA:

- *Structural heart defects, like congenital heart diseases or Marfan syndrome;*

- *Problems with the heart's electrical system (which can make the heart beat too fast, too slow, or irregularly);*
- *Diseases affecting the heart muscle: (such as hypertrophic cardiomyopathy);*
- Heart infections; and
- *Other factors, such as direct impact to the chest.*

### **Additional Risk Factors:**

- *Family history:* Sudden death of a close relative before age 50; history of heart conditions like cardiomyopathy, Marfan syndrome, Long QT syndrome, or heart rhythm problems; and/or history of immediate family members experiencing SCA.
- Heart murmurs
- High blood pressure

### **Requirements for Return to Play:**

If a student athlete has experienced SCA or any of its warning signs, a consultation with a health care provider is necessary. To return to play, the athlete must provide:

- Written clearance from a doctor; AND
- Acknowledgment form signed by the parent or guardian and the student athlete.

### **More information:**

More information may be found at Parent Heart Watch (<https://parentheartwatch.org/>)
