Guardians: How to Download OnCourse Connect

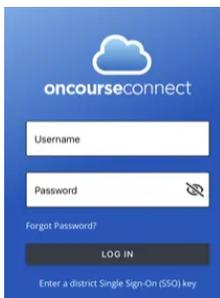

The OnCourse Connect is the app that will provide you with all the information for your students.

This app will have all grades, report cards, class schedules, notifications, discipline incidents, attendance and so much more. You can even change your address, phone number, or name right in the app. No need to go up to the school.

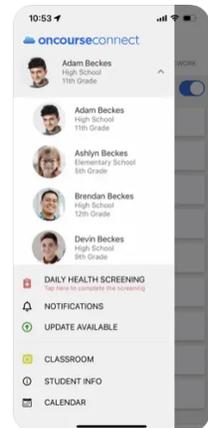

1

Go to the Google Play or Apple App store look for this app.

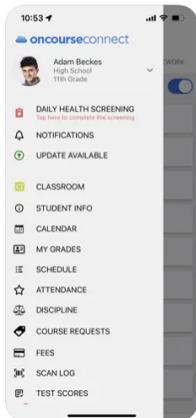

2

Log in with your username and password. If you need additional assistance contact the school.

3

Once logged in, use the left side to switch between students if you have multiple students.

4

Once you select a student, you will have many options to view here.

Please keep in mind that you may not see all of these option on the screen shot. Your options are set by the district.

If you need any assistance with getting logged in, or you are missing some of your children. Reach out to your school.
