About Me

Hello! My name is Mrs. Hood, and I am so excited to be your teacher this school year. This is my tenth year teaching and my first year at Natoma Station Elementary. I'm originally from Amador County and attended UCLA for both my undergraduate and graduate studies. I taught in the Los Angeles Unified School District for eight years before my husband and I moved back home to be closer to family. I'm looking forward to meeting all of you and having a fantastic school year together!
