

Honors World Geography

Course Description/Goals:

Honors World Geography will include human, physical, economic, and cultural geography. Emphasis will be placed on understanding the impact that environment has on the social, cultural, and economic life of a region. Stressed also will be an examination of uses, abuses, and preservation of natural resources and the physical environment.

Course TEKS/Objectives:

The Texas History TEKS (Texas Essential Knowledge and Skills) are organized into reporting categories, each focusing on a specific area of social studies. These categories include: History, Geography and Culture, Government and Citizenship, and Economics, Science, Technology and Society. Each category contains specific standards (TEKS) that students are expected to master.
