

Appointment of Members

The superintendent and board members will seek applications for membership and make recommendations to the president of the board. The president will nominate members to serve on the DAC based on the recommendations.

In nominating members to the DAC, the president will ensure, to the extent practicable, that:

- At least two members appointed reside in each geographic district
- At least one parent appointed resides in each geographic district
- The parents appointed reflect the student populations significantly represented within the district
- At least one parents appointed is a parent of a student enrolled in a charter school authorized by the board
- At least one person appointed has demonstrated knowledge of charter schools

Should there be a vacancy on the DAC, the president will have the authority to appoint interim members who will serve as full members until the board votes to appoint members.

The DAC will select a parent representative to serve as chair or co-chair

Members of the DAC will serve terms of 2 years. In order to avoid having the terms of all members expire at the same time, up to 50% of the members initially appointed will be appointed for a one-year term and will be eligible for reappointment. The chair and co-chairs of the DAC will serve terms of one year and be eligible for reappointment.

The DAC will establish a schedule of meetings and adopt general rules for its operation, which will be provided to the board.
