

GARDENHILL ELEMENTARY SCHOOL

HOME OF THE PATRIOTS
gardenhill.nlmusd.org

Welcome to Gardenhill Elementary School, home of the Patriots! Our community, students, and staff enjoy working together to make learning fun. Students are provided a rich learning environment to explore all content areas, and given opportunities to collaborate and learn with peers. Our strong PTA, committed staff members, and generous families donate their time to make

sure our students have access to arts, music, and STEM curriculum to enrich learning and create life-long learners. Students are loved throughout their day, celebrated for their achievements, and our teachers work hard to make sure students have the tools they need to feel successful and encouraged to learn. Once a Patriot, always a Patriot!

- Sarah Gilbert, Principal
