Welcome to Foster Road Elementary School. Home of the Stars! Here at Foster Road, our staff is committed to the success of every child. Our goal is to instill in our students a commitment to academic excellence. We imbed self-awareness and goal setting activities to equip our students with the tools needed to monitor their own progress. We also complement our academic focus with instructional components aimed at developing students' social and behavioral skills. At Foster Road we aim to unleash our full potential.
