

GLAZIER ELEMENTARY SCHOOL

HOME OF THE GLADIATORS
glazier.nlmusd.org

Welcome to Glazier, the home of the Gladiators, where our motto is "Armed with knowledge, empowered for life!" We focus on building well-rounded children full of excellent character through our 3Rs: Be Respectful, Be Responsible, Be Ready! We have an amazing PTA and dedicated staff.

We have terrific partnerships with Cerritos College and other community partners for prospective teachers, for Garden Club, and for our feeder pattern of middle to high school so that our students are well prepared for any pathway they choose. Come see for yourself what makes Glazier such a special place to grow and learn!

- Susan Newcomb, Ph.D, Principal
