

# NORWALK HIGH SCHOOL

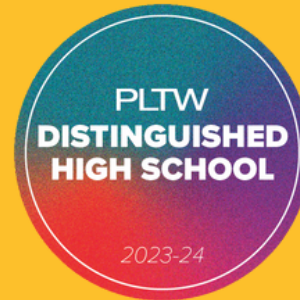

[norwalk.nlmusd.org](http://norwalk.nlmusd.org)

Welcome to Norwalk High School, home of the Lancers. NHS will continue to strive for academic excellence through exposure to engaging educators, academic rigor, innovative programs, pathways, and post-secondary preparation. NHS also works to create a culture on campus and within the community that is reflective, inclusive, supportive, and proactive. It is our goal that all students, staff, and stakeholders feel a sense of connectedness and belonging at NHS.
