

LAMPTON ELEMENTARY SCHOOL

HOME OF THE DOLPHINS
lampton.nlmusd.org

Welcome to Lampton Elementary, the proud home of the Dolphins. Our Mission is to cultivate problem-solving abilities, critical thinking, and academic discourse skills in a nurturing and dynamic setting. We are deeply committed to instilling in our students the essential social-emotional, coping, and well-being skills that enable them to excel academically and develop enduring connections with their teachers and peers.

Lampton has received numerous prestigious accolades, including the California Distinguished School designation, The Title 1 Academic Achievement Award, and the recent Pivotal Practice Award for Counting Collections. Furthermore, we take immense pride in our recognition with the Bronze Medal for Positive Behavioral Interventions and Supports (PBIS).

We look forward to embarking on this educational journey with you and fostering a supportive and enriching environment for all our students.

- Ana Quiroz, Principal
