

LA PLUMA ELEMENTARY SCHOOL

HOME OF THE PANTHERS
lapluma.nlmusd.org

Welcome to La Pluma Elementary – Home of the Panthers! We exist to grow caring, literate, problem-solving students who strive to become the BEST version of themselves! We are a student-centered school with a focus on students reaching their full potential socially, emotionally and academically. Our incredibly talented staff works alongside our supportive parent community to make La Pluma the special place that it is! We educate the whole child - academics, art, music, technology and so much more through engaging instruction, high quality education and development of students with character.

- Maureen Bixby, Principal
