Welcome to Eastwood Elementary School, home of the Eagles! We have a focus on collaboration and providing educational experiences that will prepare our young learners for lifelong success. Whether it is sharing thinking in academic talks, cooperating in hands-on learning in the innovation and exploration lab, designing and creating in the studio, or increasing literacy through reading and writing, our goal is to provide a one-of-a-kind learning journey.

We have a strong school community that is fully supported by a generous and creative PTA who have helped ensure that all students have access all that Eastwood has to offer. Students are celebrated for their hard work and achievements and are supported by our diligent staff each day. Once your student is an Eagle, our desire is to see them soar to great educational heights!
