Welcome to Dolland Elementary, home of the Huskies! At Dolland we strive to provide a high-quality educational journey that prepares students to be future ready. We offer a dual immersion program that honors the development of multilingual students and promotes strong cognitive development, better academic achievement, improved memory retention, and cross-cultural appreciation.

As a school-wide focus, we are proud to be an AVID school. Our AVID strategies focus on building strong academic discourse skills. Our cohesive writing program deepens our student's conceptual understanding of how words convey information and grow our understanding. Our Dolland team values the whole child, and we provide a robust social emotional program to ensure the well-being of our students and school community.
