Telecommunication Devices/ Messages Policy

In compliance with Kentucky Law, and as referenced in the KCSD Code of Conduct (Page 22), KCSD recognizes the growing presence of telecommunication devices in students' lives. To maintain an optimal learning environment the use of all telecommunication devices is strictly prohibited during instructional time.

At Turkey Foot Middle School, all cell phones must be turned off upon entering the school building and remain turned off until the end of the school day (2:40 pm). This includes use throughout the school building, including but not limited to the cafeteria, hallways, and bathrooms. Use of communication devices is not permitted during the school day, any assigned detention, and/or Friday School, etc. Any transmission of images, inappropriate texts, etc. is prohibited and will be disciplined accordingly. Any electronic transmission that occurs after school hours that becomes a disruption to a safe and productive learning environment is subject to school discipline.

Water Bottles

Students are permitted to bring water but will need to bring it in a non-breakable, clear container. We do have a filtered water system so that students may refill their own water bottles. Drinks that are brought as part of a school lunch will need to be consumed during lunch.

Walker's Permit

In order for a child to walk home, to another student's house or to DHHS for practice, the Walker's Permit Form must be filled out. Please click on the link below to access the form.
