Welcome to the 2025–2026 school year at San Martin/Gwinn!

Dear SMG Families,

My name is Guillermo Ramos, and I am thrilled to introduce myself as the new principal of San Martin Gwinn. It is an absolute honor to join the SMG community. From the moment I learned about SMG, I knew this was a special place and I'm genuinely excited to begin this journey alongside you. There is no role more rewarding than partnering with families and staff to support students on their educational journey. Please know that I am fully committed to giving my all to ensure San Martin/Gwinn is a place where every student feels included, valued, and empowered! Your children deserve the very best, and that is what we will strive to provide every single day.

I want to take a moment to thank former principal Mr. Aasen, along with the dedicated SMG staff and our community partners for laying a strong foundation of school systems and innovative programs. I am deeply grateful for the work that has gone into shaping such a dynamic and amazing school.

As we move forward, our shared mission will be to build upon that foundation and elevate our programs to ensure high levels of student achievement, and to provide students with experiences that are unique, inclusive and empowering. We will continue to strengthen the Dual Immersion Multicultural Education (DIME) program, foster a positive culture and climate, and deepen family engagement.
