

GWINNETT COUNTY PUBLIC SCHOOLS

Counseling Resources

If your student has insurance coverage, please contact your insurance provider FIRST to determine where they have authorized access for mental/behavioral health services. Please confirm, either while making an appointment or prior to going to an appointment, if your insurance provider is accepted. Also, your insurance provider may have referrals to specific therapists who specialize in children and adolescent issues.

COUNSELING

The following resources have been categorized based on geographic region for your convenience. An agency may be placed in a specific geographic region based on their office location, but they may provide services county-wide. School personnel and/or parents are welcome to choose a resource from various geographic regions.
