Purpose of the Transition Plan

The purpose of the transition plan is to support the student's social, emotional, and academic success during the move from one school building to another.

The plan is based on previous options that have been discussed with the board.

Suggestions: Outline proposed changes or ideas for the transition plan

Projected Class Sizes 2025-2026

Kindergarten	25	2 classes of 12 and 13
First Grade	28	2 classes of 14 each

As reaffirmed at the October 15th Board of Education meeting, we are committed to maintaining class sizes in accordance with the district's "Class Size" policy, as adopted in 2017.
