MISSION STATEMENT

The North Plainfield School District is committed to developing and maintaining a world class learning environment by providing a relevant, integrated, and progressive curriculum that will foster continued intellectual, physical, social and emotional growth in all students in order to prepare them to succeed in our dynamic, diverse, and technological society while also developing in them an appreciation for the humanistic and aesthetic aspects of life. We strive to meet our students where they are, and grow them to be successful as people as people when they leave our doors.

Community And District

North Plainfield School District is a progressive, culturally diverse school district in Somerset County, serving approximately 3,600 students from preschool through grade twelve.

North Plainfield High School, fully certified by the New Jersey Department of Education and accredited by the Middle States Association, is proud of its special characteristics and the strength of its educational opportunities for students. With a population of approximately 1,200 students in grades nine through twelve, the high school provides a comprehensive curriculum with a variety of electives aimed to promote the development of each student's individual potential.

North Plainfield High School is a National School of Character and has been named to the Gaston Caperton Opportunity Honor Roll and the AP Honor Roll.

Curriculum

High school students may select courses that suit both their interests and potential career paths. Honors, advanced placement courses are available for those students who meet the criteria. Electives are offered in art, music, theater, technology, journalism, world language, and family consumer science. Career and technical education programs of study include Cisco, Project Lead the Way-Biomedical & Engineering, Work Based Learning -Internship Program, and Navy Junior ROTC. Other curricular options include opportunities for independent study, community service, distance learning, and a shared-time vocational program with Somerset County Vocational and Technical High School. Students that meet requirements can obtain college credits with the Concurrent Enrollment Program through our partnership with Raritan Valley Community College.

Grading System, Rank & Scale

Class rank computations are based on recommendations of the Joint Committee of School-College Relations of the NASSP and AACRAO. Final Grades in all courses are used in the calculations. Advanced Placement, college preparatory, and honors level courses are weighted. College Preparatory Courses are given an additional weight of 1 point and Advance Placement & Honors courses receive an additional two points calculated in their final grade and Grade Point Average. Ranking occurs at the end of four, six and seven semesters.
