

Parent ProTech Opt-Out Form

Appling County Schools

In accordance with Georgia Senate Bill 351 (Protecting Georgia's Children on Social Media Act of 2024)

Student Name: _____

Grade: _____

School: _____

The Georgia Department of Education (GaDOE) has partnered with districts across the state to provide **Parent ProTech**, an educational platform designed to inform parents and guardians about online safety, digital trends, and responsible technology use.

As part of this initiative, students will be introduced to digital literacy and internet safety concepts in alignment with state guidelines. While the program is educational, parents/guardians may choose to opt out of their student's participation.

By signing below, I am choosing to **opt my child out** of participating in any instructional activities related to **Parent ProTech**.

I DO NOT give permission for my child to participate in the Parent ProTech program.
