FROM THE CRU NATION BOOSTER CLUB BOARD

The CRU Nation Booster Club is excited to welcome students and teachers back to school in August!

Our primary goal is to enrich the school experience for both students and teachers through the support of education and extracurricular activities. Last year, we were able to donate more money than in previous years to the school. Enabling us to provide scholarships, awards, and sponsorships to various clubs and activities.

CRU Nation is motivated to grow this year and provide even more support to our students and staff while making this a year to remember with exciting activities and new additions to our existing traditions.

We look forward to the meeting incoming students and their families at the Welcome Mass on Friday, August 15.

Our support wouldn't be possible without our members! Our goal is 100% membership from current families and Alumni. Your membership has an immediate and purposeful impact on the students at CHS and is very appreciated!

Go CRU!!
