Student Expectations

We believe that a safe, respectful, and responsible learning environment is essential for student success. To help all students understand what positive behavior looks like in different areas of campus, we use the following Behavior Expectations Matrix which outlines clear expectations for how students should conduct themselves. DISCIPLINE POLICY

Benton implements a combination of Progressive Discipline with a Restorative Justice approach. The goal of Progressive Discipline is to improve student behavior and help students learn from their choices; Restorative Justice is focused on acknowledging and repairing the harm. Both practices help prevent inappropriate behavior from happening again.

Progressive discipline can include the following:

- **Conversation or conference with the student**
- **Reflection Form**
- **Parent Contact (phone call, email, letter home)**
- **Review of expectations of appropriate behavior**
- **Referral to counselor or other resources**
- **Conference with student and parents**
- **Behavior Contracts**
- **Community Service**
- **Restitution**
- **Loss of privileges**
- **Assigned areas for snack and/or lunch**
- **Detention**
- **Suspension**
- **Removal to a different school**

The Restorative Justice response to discipline seeks to create opportunities for learning so that the offender can understand the impact of their behavior on others. The student is expected to repair the harm and face up to the consequences of their actions.

Restorative Justice goals:

- Foster understanding of the impact of the behavior
- Repair the harm that was done
- Attend to the needs of victims and others in the school
- Avoid imposing intentional pain, embarrassment, shame, and discomfort on students
- Collaborative approach actively involving others as much as possible

ATTENDANCE POLICY

Student success is directly affected by attendance. Good attendance increases the opportunity for students to achieve academically, participate in sports and activities, and improve self-esteem.

Compulsory Attendance:

California State Law requires all persons under 18 years of age attend school on a full-time basis. Parents' interest and cooperation will assure better student attendance and school success. A record of all correspondence will be maintained.

Official School Day:

The official school day starts with classes beginning at 8:35 A.M. and ends at 3:00 p.m. School ends at 1:45 p.m. on Early Release Wednesdays. Office hours are from 7:30 a.m. – 4:00 p.m. Students are not allowed on campus prior to 8:05 A.M. unless they are attending a prearranged school activity. All students must also be picked up promptly after school by 3:15 P.M. unless they are involved in a prearranged school activity. Parent support is greatly needed in these crucial areas to ensure a safe environment for our students.

Every student. Every day.

Reporting an Absence/Attendance Accounting System:

When a student is absent from school, the parent or guardian may choose ONE of these options:

1. Complete the online **Absence Reporting** link from the *Benton.nlmusd.org* website. This is the preferred method of reporting an absence.
2. Call the front office.
3. Provide a signed note for the student to bring on the day they return to school. Please provide the following information: Student's Name, Reason for Absence, Parent/Guardian Name, Dates of Absences.

Excused Absences:

Excused absences are identified as *illness, immediate family death, or a doctor/dentist/court appointment*. Any other absence is considered an unexcused absence and is marked as a parent violation (this includes vacations). If a student is going to be out of school for more than 5 days, information on Short Term

Independent Study (STIS) is available on the Absence Reporting tab on benton.nlmusd.org. *Please call the school office if you have any other questions regarding an absence.*

Unverified / Unexcused Absence / Truancy:

If an absence goes unverified for 10 days from the date of absence, it will be changed to a **truancy**, which constitutes a parent violation. This is in accordance with Board Policy and will be strictly enforced. Once an absence becomes a truancy, it will not be changed.

**** Parents are encouraged to monitor their student's absences and tardies through the powerschool parent portal.**

Tardy Procedure: Punctuality increases student success and decreases classroom disruptions.

1. Students will have a passing period between classes to go to and from class.
2. Students who are not seated in their classroom at the end of the passing period will be considered tardy.
3. Any staff member can issue a tardy if the student is out of class without permission.
4. When a student is tardy in the morning, they must report to the office, sign the tardy log, and get a pass to class.
5. If a student is tardy due to a doctor/dentist/court appointment, please bring a note from that office for the tardy to be marked excused.
6. A tardy is considered unexcused if the student arrives more than 30 minutes late to class and will be marked as a Truancy.

Tardy Consequences (Per Semester):

- **1st Tardy** – Warning. Handled by individual teachers.
- **2nd Tardy** – Parent notified by teacher.
- **3rd Tardy** (and any additional tardies) –Possible Parent Conference and/or referral to Student Attendance Review Team (SART). Students may be required to attend a Tardiness workshop.

If a student continues to have excessive absences, tardies, or truancies, the student and parent will be required to have a conference with the School Counselor or

Administrator to discuss solutions in order for the student's attendance to improve. If there is no improvement, the student will be referred to the School Attendance Review Team (SART) where an attendance contract will be established. If there is still no improvement, the student and parent will then be issued a subpoena to the District School Attendance Review Board (SARB), which is held at the Norwalk Court House. Continuing attendance problems will result in a referral to the District Attorney.
