

Office Depot gives 5% back to our school by mentioning Colina!

Colina 6th Grade Study Skills Supplies List Preliminary List:

Research has shown that those students who are successful in secondary school are independent and self-directed learners. To work independently, the student must have developed organizational skills. As in any endeavor, the task becomes more achievable with the appropriate tools. The following list has been revised over the years as we see a need. **We strongly recommend that every student have these materials for the school year.**

	one or two 3-ring binders (at least 2-inch rings)
	college rule binder paper
	spiral notebook (if single subject, more than one may be needed for a class)
	Colina assignment notebook provided by the school
	a minimum of 15 subject dividers – Do not write on them before you see your teacher
	1-2 zipper pouches(fabric pouches are more durable) or pencil boxes
	a minimum of 2 blue or black ball point pens
	2 highlighters
	pencils
	colored pencils
	scissors
	glue stick
	eraser
	one box of Kleenex for your homeroom teacher – More is always welcome!

**Once classes begin, your individual teachers may ask for other supplies.
All materials must fit into your school locker.**
