THE NUEVA SCHOOL

Guidelines for Psychologists Submitting Assessment Results

Nueva Requirements and Policies:

As part of our admissions process for grades PreK-8, we require the Wechsler IQ Assessment (WISC-V or WPPSI-IV depending on age).

We do not accept the Stanford-Binet or other IQ assessments unless they have been specifically requested by our admissions office.

Per standard practice, prior exposure or practice invalidates the assessment results. Should you find or suspect practice or exposure, please indicate this in your report and feel free to reach out to us if you would like to provide additional information about your experience.

We require the following scores for the WISC-V report for ages 6:0 and above:

- Full-Scale Score & Index Scores (VCI, VSI, WMI, PSI, FRI)
- Subtests: Block Design, Similarities, Matrix Reasoning, Digit Span, Coding, Vocabulary, Figure Weights, Visual Puzzles, Picture Span, Symbol Search, and Arithmetic

We require the following scores for the WPPSI-IV report for ages 4:0-5:11

- Full-Scale Score & Index Scores (VCI, FRI, PSI)
- Subtests: Block Design, Information, Matrix Reasoning, Bug Search, Picture Memory, Similarities, Picture Concepts, and Cancellation

We require the following scores for the WPPSI-IV report for ages 3:10-3:11:

- Full-Scale Score, Index Scores (VCI, VSI) and Vocabulary Acquisition Score (VAI)
- Subtests: Receptive Vocabulary, Information, Block Design, Picture Memory, Object Assembly, and Picture Naming

Students must be at least 3 years 10 months 0 days to take the Wechsler assessment for the purpose of our admissions process.

If a student is 6:0 or older, they must take the WISC-V assessment.

In addition to the numerical scores, Nueva highly values a detailed narrative report with delineated behavioral observations.

The Wechsler should not be given in a child's home.

The assessment must be conducted in person, we do not accept results gathered via virtual assessment.

The Wechsler assessment must be conducted solely in English without translation services implemented.

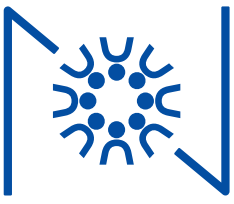
How to Submit Results:

Parents will delegate the Wechsler Submission Form to you via email. Once it's delegated, you'll receive a link that allows you to complete the form and upload the report directly to Ravenna, Nueva's admissions platform.

Families can find the Nueva Authorization for Release/ Exchange of Confidential Information on our website. If you prefer, you may ask them to submit your own release form instead.

If a family inquires about our admissions process, please direct them to our website or to contact us at admissions@nuevaschool.org or 650-235-7119.

We realize families may ask you about their child's FSIQ score and its potential implications for moving forward in the admissions process at Nueva. **While we appreciate your partnership in sending reports, we kindly request that you allow us to determine whether a student will continue in our admissions process, regardless of their score.**



If you have questions, please contact the Nueva Admissions Office at 650-235-7119 or by email at admissions@nuevaschool.org.
