

Collegiate Academies

Policy Statement

Collegiate Academies (CA) schools provide robust and effective programming to scholars across academic, social, extracurricular, athletic, and other domains. As public schools, CA will strive to create these programs with minimal contributions (fees) from families and participating students. All fees requested from families will be communicated to families as early as possible, and a clear waiver process will be made available to ensure no undue economic hardship is caused by student fees (fees are recommended, not mandatory). In no case will any fee prohibited by local, state, or federal law be authorized by Collegiate Academies leadership. In no case will students be denied or delayed admission to any instructional activity or have their educational records withheld due to failure to pay a fee.

List of Fees

The fees for all Collegiate Academies schools are outlined in Appendix A. This list includes the purpose and use of fees, and the amount of each fee.

Collection of Fees

- School Leaders (or their designee) will create a description of all fees to be collected by the school. Schools will make every effort to communicate these fees before the beginning of each academic year and will communicate any updates via school website, direct family communication, or other appropriate means.
- School Leaders (or their designee) will collect fees from families and/or scholars. The standard methods of payment are credit card (in person or via our Square Store) or money orders. Cash is not preferred but will also be accepted. Personal checks are not accepted.
- The school will generate a receipt or other documentation of the transaction for the school's records and for those of the family.

Spending of Fees

School Leaders (or their designee) will determine the appropriate use for funds collected via student fees and will be responsible for clearly communicating these plans to students and families. Typical uses of fees include uniforms and/or equipment for athletic and co-curricular organizations; participation in special events such as Homecoming or Senior celebrations; and other supplementary programming that complements the core mission of the school.

Economic Hardship Waiver

Collegiate Academies seeks to balance fairness (i.e., all participating students should pay the same fee) with equity and an acknowledgement of economic hardship facing many families in the communities that we serve. As such, School Leaders (or their designee) will offer fee reductions and waivers to students and families who complete the following steps:

- Make a good faith effort to pay the full fee, including by requesting additional time and/or a payment plan.
- Request a waiver or fee reduction from the School Leader (or designee)
- Provide additional documentation requested by the School Leader (or designee)
- Commit to informing the School Leader (or designee) if the family's economic circumstances change and the fee is able to be paid later in the academic year

Collegiate Academies

The Louisiana Department of Education provides the follow examples of a family status that may be grounds to grant a waiver: families receiving unemployment benefits or public assistance, including Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI) or Medicaid; foster families caring for children in foster care; and families that are homeless. School Leaders may use these indicators and other information to make their determination.

School Leaders (or their designee) will communicate the decision regarding a waiver on a rolling basis directly to families. If a family wishes to appeal a waiver request, they should contact Collegiate Academies Superintendent/CEO, Jerel Bryant at jbryant@collegiateacademies.org. In reviewing the decision, the Superintendent may uphold or reverse the decision of the School Leader (or designee); however, the Superintendent of Collegiate Academies review is final. Decisions will be communicated in writing within five (5) days.
