1. Students are expected to perform wearing a black tuxedo or floor length black concert dress. Students are provided guidance on acceptable options to meet this requirement, and are expected to secure these items individually. A student likely will not need to purchase this item annually as the outfit can be used for multiple years, including beyond high school in a college music ensemble.

2. Students will be encouraged to own their own instrument as they will need an instrument to take to multiple performances, both school related and for individual purposes. Most students want to own their own instrument as it will become a means for them to carry on their music interests into the university ensembles should they choose to pursue music after high school. For those that cannot purchase or rent their instrument, I have a very limited amount of instruments for use at the jr high level.

3. All cellos and basses at the jr high level are made available to students. It is the responsibility of the student and family for all major repairs should damage occur during the school year. Otherwise, basic instrument maintenance will be controlled by teacher.

4. The orchestra ensembles travel to three competitions during the year (Region Orchestra Festival, State Orchestra Festival and Region Solo & Ensemble Festivals). Due to travel times for these festivals, students are requested to bring money for a meal stop while traveling,. Students may elect to pack a meal from home in lieu of bringing money to purchase food.

5. Each year 9th grade students have the option of auditioning for All State Orchestra, a separate festival apart from UHSAA sponsored events. The audition fee is \$10 and participation fee is \$70. Students are required to provide their own transportation to rehearsals and the performance.

6. Students that own their own instruments will need to replace strings on occasion, either because they sometimes break or wear out. Other items of need include rosin, a metronome and music stand for personal use at home. Some students may also want or need to purchase sheet music for their own personal enjoyment or to help their playing abilities improve.

7. Students have an opportunity each year to purchase Orchestra lettermen sweaters. The cost is \$175, although can be slightly more depending on the number of decals that are used.

8. Utah High School Symphony Club is another optional expense. The cost is \$80 per year, which includes attending four Utah Symphony concerts, one Utah Opera concert and a meal at Benihana prior to the Utah Opera performance.

1. Students are expected to perform wearing concert black. Students are provided guidance on acceptable options to meet this requirement, and are expected to secure these items individually. A student likely will not need to purchase this item annually as the outfit can be used for multiple years, including beyond high school in a college music ensemble.
2. Students will be encouraged to own their own instrument as they will need an instrument to take to multiple performances, both school related and for individual purposes. Most students want to own their own instrument as it will become a means for them to carry on their music interests into the university ensembles should they choose to pursue music after high school. For those that cannot purchase or rent their instrument, I have a very limited amount of instruments for use.
3. All cellos and basses at the jr high level are made available to students. It is the responsibility of the student and family for all major repairs should damage occur during the school year. Otherwise, basic instrument maintenance will be controlled by teacher.
4. The orchestra ensembles travel to three competitions during the year (Region Orchestra Festival, State Orchestra Festival and Region Solo & Ensemble Festivals). Due to travel times for these festivals, students are requested to bring money for a meal stop while traveling,. Students may elect to pack a meal from home in lieu of bringing money to purchase food.
5. Each year 9th -12th grade students have the option of auditioning for All State Orchestra, a separate festival apart from UHSAA sponsored events. The audition fee is \$15 and participation fee is \$70. Students are required to provide their own transportation to rehearsals and the performance.
6. Students that own their own instruments will need to replace strings on occasion, either because they sometimes break or wear out. Other items of need include rosin, a metronome and music stand for personal use at home. Some students may also want or need to purchase sheet music for their own personal enjoyment or to help their playing abilities improve.
