Dear Parents and Students:

Mt. Diablo High School has spent a good amount of time and effort formulating and communicating a school code of behavior we feel is meaningful, reasonable, and enforceable, and which will aid in the smooth functioning of our school.

One aspect of our regulations deals with substance abuse by students. For this reason, we would like to review the following:

1. Students and parents must understand that these events are school-sponsored activities and fall under the jurisdiction of the school's authority. Participants, Mt. Diablo students or guests will be expected to follow all school regulations governing proper conduct.
2. We wish to remind you that unlawfully possessing, using, selling or otherwise furnishing, or being under the influence of any controlled substance (i.e., alcoholic beverage, drugs, or an intoxicant of any kind), will result in severe disciplinary action.
3. It is our intention to continue to closely monitor the behavior and physical condition of participants at these events. Should we determine that a participant is in possession or under the influence of a controlled substance, he/she will be confined to a special location and parents will be called to resolve the issue. Further disciplinary action may result later.
4. We are, therefore, requesting that you provide the school with the names and phone numbers of two responsible adults, beside yourself, who can be contacted, if the need should arise. In order to purchase a ticket, each student must present the tear-off section below, completed and signed by parent and student for each school event.
