

Hello Families,

I am thrilled that your children will be in my class this year! We are going to learn so many new and exciting things together. It will be a year full of exploring, questioning, growing, and learning.

I believe it is important to work together as a classroom family. We will be spending a lot of time together, so it is essential to treat each other with respect, compassion, and kindness. We will be learning social skills alongside academic content. We know that each of us has a different brain, which means we think and learn differently. I anticipate challenging all learners, holding high expectations, and also working to create a culture of cooperation and support.

Finally, I appreciate your trust and support in letting me take a hand in your child's education. I sincerely care about your child and I am fully committed to helping them make their Northwood experience positive and successful!

I am looking forward to a great year!!

Emily Curtiss
