## A Note from the Principal- Emily Clark

Welcome to Badger Elementary! We are so excited to welcome you and your family to our school community. At Badger Elementary, we are committed to fostering a learning environment where every student is empowered to be **kind, helpful, safe**, and a **hard worker**. We believe in creating an inclusive and supportive community where every learner is valued. Through meaningful connection, thoughtful reflection, and intentional repair, we help students grow not just academically, but as compassionate, responsible members of our school family. As I look forward to the start of the year, I know this year promises to be filled with meaningful moments, lasting connections, and exciting opportunities for every learner. Thank you for being an essential part of our school community—we're glad you're here!

*Emily Clark*

VOLUME 1 - AUGUST EDITION

JOIN THE  
BADGER  
PTA!

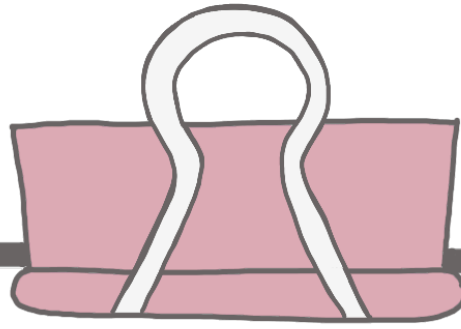

We had an incredible 2024–2025 school year thanks to the amazing support of our school community! From Trunk or Treat to Holiday Craft Night, Funset Boulevard Night, and Skaters Edge Roller Skating, we created memories that brought families together. We also supported our teachers with meals and supplies, and gave our students enriching experiences like field trips and the school musical, *Annie Jr.*

All of this happened because of you—your donations, your time, your participation.

Now we're getting ready to do it all again—and we'd love for you to be part of it! Whether you have an hour a month or a new idea to share, there's a place for everyone to get involved. Join us as we continue to build a vibrant, supportive school community in 2025–2026.

# SCREEN SANITY PARENT NIGHT

Thursday, August 21: 4:30pm – 6:30pm

On Thursday, August 21, the Building for Kids, in partnership with [US Cellular](#), is hosting [Screen Sanity](#) Parent Night at the Museum. As families prepare to send their kids back to school, questions around phones and screen use are sure to arise. Today's parents have countless resources to help them raise a child, yet we are the first generation to ponder questions like: *When should I get my child a smartphone? How should I prepare them for social media? And, how can I keep them safe online?*

During this FREE event, parents will receive information and resources to help them answer these questions and children will have access to some after-hours playtime at the museum.

This event is FREE, but registration is required.
