Dear Northeast Families and Friends,

Thank you for your resilience as we continue to navigate through the effects COVID-19 has had on our society. I love when we are able to have a "normal" school day with all of our students, and I hope we have many more as we get continue our second half of the school year. I appreciate each and every one of you and again thank you for being part of the Northeast Family!

Thanks,

Mr. Justin Thorlton  
Principal, Northeast Elementary Magnet School

## 100 DAYS OF SCHOOL!

Our kindergarten students dressed up to celebrate our first 100 days of school this year. The students had a lot of fun and even held a small parade through the school to let everyone know we are excited about being in school every day!

Mrs. Larsen and Mr. Lockhart are doing a great job with our basketball program. Boys and Girls have separate practices and students in grades four, five, and six are participating after school. Go Falcons!
