

FALCON FLYER

MARCH 2022

Northeast Elementary / (217) 444-3050/ www.danville118.org/northeast

Dear Northeast Families and Friends,

March brings the end of our third quarter of school. We are excited to see everyone at our Parent/Teacher conferences on Thursday, March 10 and Friday, March 11. With one quarter of school remaining our third through sixth grade students will participate in our state IAR test and all of our students will continue to strive to do their best. Our archery team continues to do well (Elementary Team pictured above). They will compete in the state tournament this month. Wish them luck!

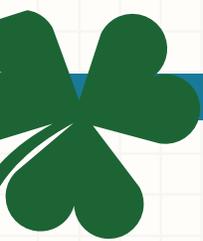

Thanks,

Mr. Justin Thorlton
Principal, Northeast Elementary Magnet School

OUR LIVING MUSEUM!

In honor of Black History Month, second grade students in Mrs. Robinson's class presented their research in a "living museum" in our gym. This three day event was well attended. The kids were excited and nervous, but did a great job of presenting to staff, students, and families.

MARCH

Northeast Elementary / (217) 444-3050/ www.northeast.danville118.org

Our fourth and fifth grade students are well into our Scholastic Bowl season. The meets are exciting as the students race to be the first to answer "Toss Up" questions and work together on "Bonus" questions. Thanks to everyone for their hard work!
