

FALCON FLYER

SEPTEMBER 2021

Northeast Elementary / (217) 444-3050/ www.northeast.danville118.org

Dear Northeast Families and Friends,
We are nearly to the end of our first quarter of school. It is so great to have all of our students back in the building! We are back on our balanced calendar so, we have a three week fall break coming soon. This month fourth and sixth grade students completed their IAR state tests. We had many successful Picnic Fridays. Our Fit Clubs were well attended too! Thank you to everyone who helps their students be successful every day.

Thanks,
Mr. Justin Thorlton
Principal, Northeast Elementary Magnet School

WE ARE PROUD OF YOU!

Books were handed out to two students from each classroom this month. These 28 students were celebrated as part of our Falcon Four: We are Safe, We are Healthy, We are Responsible, We are Kind. Keep up the good work and look for more book giveaways soon. We love to celebrate students and use our book machine at Northeast!

FIRST QUARTER PBIS CELEBRATION!

To celebrate all of our students at Northeast for having a great first quarter and following our Falcon Four, we invited Hooves of Hope to our playground. We are looking forward to spending time with their mini horses.

POOL NIGHTS AT DCC

Our two pool nights at the Danville Country Club were successful! We were able to provide families with three hours of volunteer time. Thanks for coming out!
