Dear Northeast Families and Friends,
The end of March brings us to our Spring Break. I hope everyone will be able to relax and recharge during this time. Our final quarter of school is coming soon and I look forward to finishing the year strong. Our School Board has approved a start date of Wednesday, July 21 for our Northeast students. We are happy to announce we will be returning to a balanced calendar for the 2021-2022 school year. We will always provide you the most up to date information as we receive it. You are all are amazing and I appreciate each and everyone of you!

Thanks,
Mr. Justin Thorlton
Principal, Northeast Elementary Magnet School

NORTHEAST GOES GREEN TO SUPPORT ONE OF OUR OWN!

On St. Patrick's day we all wore our best green attire. We were able support the family of two Northeast students, whose mother is fighting cancer. Thank you to our Falcon Family for your generous donations !

ASSESSMENT **IAR TESTING HAS BEEN MOVED TO FALL 2021** ILLINOIS ASSESSMENT OF READINESS (IAR)

The Illinois Assessment of Readiness (IAR) is the state assessment and accountability measure for Illinois students enrolled in a public school district. IAR assesses the New Illinois Learning Standards Incorporating the Common Core and will be administered in English Language Arts and Mathematics.

IAR assessments in English Language Arts and Mathematics will be administered to all students in grades 3-8.

The Illinois State Board of Education has allowed additional flexibility for 2021 state assessments. Districts were given the option to test in the Spring or Fall. Danville District 118 has chosen to participate in the Illinois Assessment of Readiness in the Fall of 2021. All students grades 4-8 will be tested. Students will be given tests based on their grade level in Spring 2021. For example, a fourth grade student in Fall 2021 will be given a third grade test. Please feel free to contact your building administrator with any questions.
