MARCH 2021

Northeast Elementary / (217) 444-3050/ www.northeast.danville118.org

Dear Northeast Families and Friends,
We celebrated Read across America the first week of March. Our students enjoyed a spirit week and classroom read-alouds across the building. We are excited to bring Archery to Northeast for our 4-6th grade students this month. Parent/teacher conferences are coming soon, followed by our spring break. We will have one more opportunity to bring even more Northeast students back into the building soon. We look forward to seeing some new faces during our fourth quarter of school.

Thanks,
Mr. Justin Thorlton
Principal, Northeast Elementary Magnet School

DRESS AS YOUR FAVORITE BOOK CHARACTER!

Northeast students and staff dressed up as their favorite book character and it was a blast! It was fun seeing all of the smiling faces and creative costumes.
