Creative Writing for Years 12 and Year 13 offers a stimulating environment for developing original stories, poems, and scripts. Students refine their voice, experiment with different styles, and receive constrictive feedback to enhance their writing skills.

RISHWORTH SCHOOL

MICHAELMAS TERM

D of E (Year 9 - Year 13)

The Duke of Edinburgh's Award offers students a valuable opportunity to develop resilience, leadership, and independence through a structured programme of personal challenge. Whether embarking on the Bronze, Silver, or Gold level, participants engage in a range of activities including volunteering, physical pursuits, skill development, and a memorable expedition. The Award is widely recognised and respected, providing a meaningful complement to academic life and helping students grow in confidence and character.

D of E Bronze - Year 9
The Duke of Edinburgh Bronze Award is an exciting opportunity for Year 9 students to develop new skills, build resilience, and challenge themselves. Through activities in volunteering, physical fitness, skill-building, and a team expedition, students will gain confidence, independence, and a sense of achievement.

D of E Silver - Year 10
The Duke of Edinburgh Silver Award offers Year 10 students the chance to push themselves further through a longer, more challenging expedition. Building on the Bronze Award (but open to newcomers too), students will strengthen leadership, teamwork, and perseverance—gaining life skills and unforgettable experiences along the way.

D of E Gold - Ages 16+
The Duke of Edinburgh Gold Award is the ultimate DofE challenge for students aged 16+. Participants commit to an extended journey of personal development, while building confidence, leadership, and resilience—offering lasting memories and a prestigious achievement recognised by universities and employers alike.

This club has an additional charge.

RISHWORTH SCHOOL

MICHAELMAS TERM

Debating (Year 7 - 13)

Debating for Years 7 to 13 helps students develop critical thinking, public speaking, and persuasive argument skills in a supportive environment. Participants engage in lively discussions on a variety of topics, building confidence and teamwork while preparing for competitive debates. **This club is invite only.**

Driving Theory (Year 12 & 13)

Driving Theory sessions for Years 12 and 13 provide focused preparation to help students master the rules of the road and hazard perception. These practical workshops build confidence and knowledge, supporting learners as they get ready for their driving theory test.

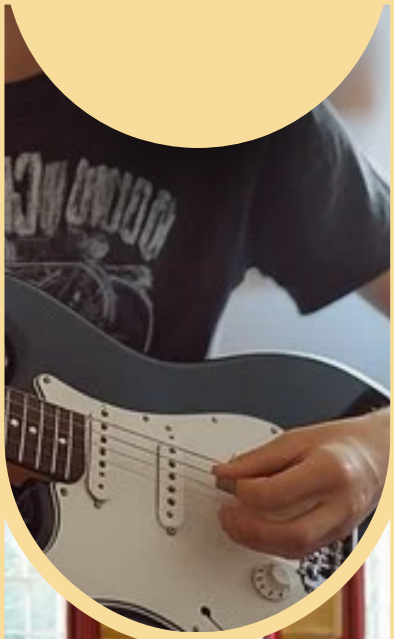

DT GCSE & A Level CAD/CAM & NEA Support

Pupils will be invited and encouraged to attend this NEA session to further develop their CAD/CAM skills on the laser cutter, 3D Printer and plotter to improve their coursework.

RISHWORTH SCHOOL

MICHAELMAS TERM

Electric Guitar Ensemble (Year 7 -13)

Electric Guitar Ensemble for Years 7 to 13 brings together electric and bass guitarists to rehearse and perform a diverse repertoire, from rock to contemporary styles. The group focuses on technique, rhythm, and ensemble playing, with regular opportunities to perform at school events.

English Support and Homework Club (Year 7 - 13)

Do you need some help with your English homework or coursework? Or maybe you'd just like to use the computer to type up your English work. Come along to room 25 for help and support.

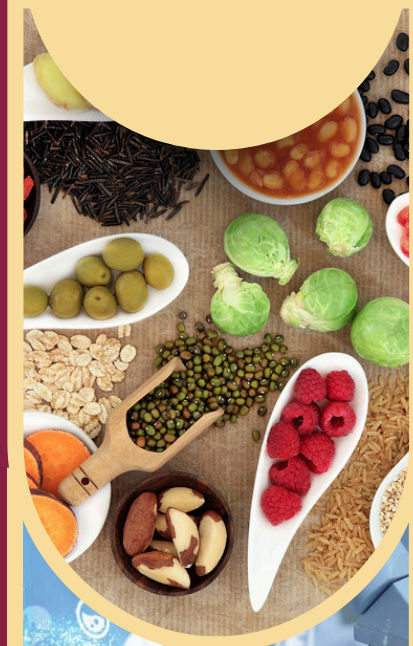

EPQ/HPQ (Year 10 - 13)

The Extended project and Higher Qualification Support sessions provide tailored guidance to help students plan, research, and complete their independent projects effectively. These sessions focus on developing critical thinking, academic writing, and time management skills to ensure success at every stage of the qualification. The HPQ is equivalent to ½ a GCSE and the EPQ is equivilent to ½ an A-Level. **This club has an additional charge for exam entry.**

RISHWORTH SCHOOL

MICHAELMAS TERM

Food & Nutrition NEA Support (Year 11)

Food & Nutrition NEA Support for Year 11 offers focused guidance on planning, research, and practical skills to help students succeed in their Non-Exam Assessment. Sessions provide one-to-one support, feedback, and time to refine dishes and written work in a supportive environment.

Food Science Study Support (Year 10 & Year 11)

Food Science Study Support sessions offer students extra help in understanding key concepts, scientific principles, and practical applications within the subject. These sessions reinforce classroom learning through tailored revision, discussions, and hands-on activities.

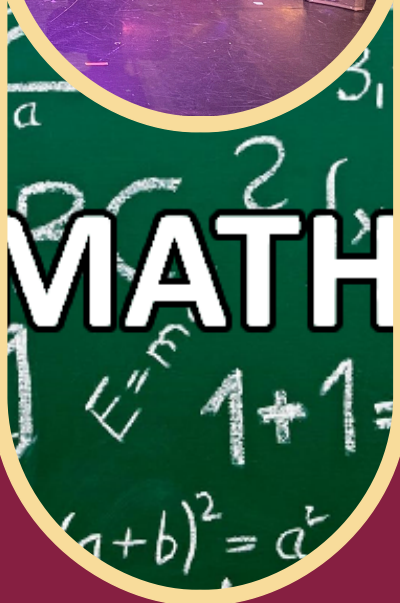

Football Squad Training (Year 7 - 13)

Football Squad Training for Years 7 to 13 is designed for committed players to develop their skills, fitness, and tactical understanding. Sessions focus on teamwork, discipline, and match preparation, with opportunities to represent the school in competitive fixtures.

RISHWORTH SCHOOL

MICHAELMAS TERM

French & Spanish GCSE Revision

French & Spanish GCSE Revision sessions support students in strengthening their vocabulary, grammar, and exam techniques across all four language skills. Through interactive activities and targeted practice, pupils build confidence and fluency in preparation for their final assessments.

Funk Band (Year 7 - 13)

Funk Band for Years 7 to 13 brings together talented musicians to rehearse and perform high-energy funk, soul, and groove-based music. The band focuses on rhythm, improvisation, and ensemble playing, with exciting opportunities to perform at school and community events. **This club is invite only.**

Further Maths Level 2 Qualification (Year 10 & 11)

Further Maths Level 2 Qualification for Years 10 and 11 offers high-achieving students the chance to deepen their mathematical understanding beyond the standard GCSE curriculum. The course prepares pupils for A-Level Maths through advanced topics, problem-solving, and analytical thinking. **This club has an additional exam cost.**

RISHWORTH SCHOOL

MICHAELMAS TERM

Geography Super Curriculum (Year 10 & 11)

Geography Super Curriculum for Years 10 and 11 extends students' learning through thought-provoking topics, independent projects, and real-world case studies. These sessions nurture curiosity, global awareness, and academic enrichment beyond the standard GCSE syllabus. **This club has an optional GCSE exam fee.**

Guided Homework (Year 7 - 13)

This club is open to all students who access the Learning Support Centre. Guided Homework sessions for Years 7 to 13 provide structured support to help students complete assignments effectively and develop strong study habits. With access to teacher guidance and a focused environment, pupils can clarify doubts and stay on track with their workload.

History A Level Revision (Year 13)

History A-Level Revision sessions offer focused support to deepen understanding of key themes, improve analytical skills, and develop effective exam techniques. Students engage in collaborative discussions and targeted practice to enhance their confidence and performance.

RISHWORTH SCHOOL

MICHAELMAS TERM

Hockey Squad Training (Year 7 - 13)

Hockey Squad Training for Years 7 to 13 provides intensive coaching to develop technical skills, tactical awareness, and physical fitness. Players work together to build teamwork and competitive readiness, with opportunities to represent the school in matches and tournaments.

IELTS Extra - EAP (Year 9 - Year 13)

For all students whom English is not their first language, come along and learn more about preparing for the IELTS paper by looking at exam technique and completing past exam papers, receiving constructive feedback each week. Also, have the opportunity to improve your English pronunciation through puzzles, poems and games.

Karate (Year 5 - 13)

In partnership with Halifax Sport Karate, this club for Years 7 to 13 teaches self-discipline, focus, and physical fitness through traditional martial arts techniques. Sessions develop strength, coordination, and confidence in a supportive and family-run environment that welcomes all abilities. **This club has an additional charge.**

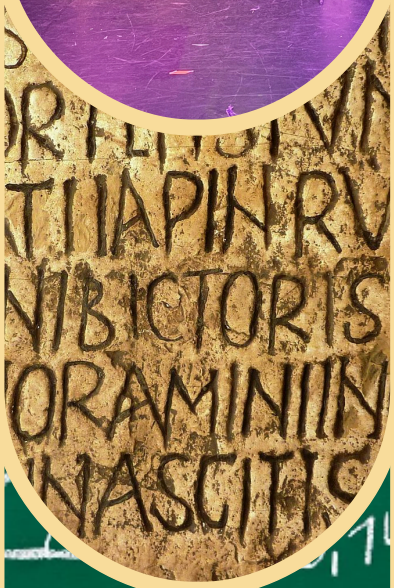

RISHWORTH SCHOOL

MICHAELMAS TERM

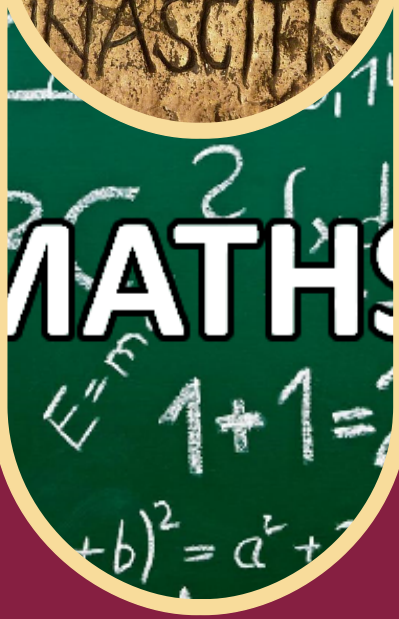

LAMDA (Year 7 - 13)

LAMDA
Wild Things Performing Arts CIC offers co-curricular Drama classes each week during term time. Students follow the prestigious LAMDA Acting curriculum, gaining internationally recognised qualifications while developing key life skills like confidence, teamwork, and self-expression. Wild Things has a 100% LAMDA pass rate since 2010, with most students achieving Merits and Distinctions. **This club has an additional cost. Please see the additional letter further detailing this club.**

Latin (Year 7 - 13)

Latin classes for Years 7 to 13 introduce students to the language, culture, and history of the ancient Romans. Through engaging lessons, pupils develop vocabulary, grammar skills, and an appreciation for classical literature and its influence.

Mathematics GCSE Foundation and Higher Revision

Mathematics GCSE Foundation and Higher Revision sessions provide targeted support tailored to students' individual levels, helping to strengthen core skills and build exam confidence. Through focused practice and clear explanations, pupils consolidate their understanding across key topics.

RISHWORTH SCHOOL

MICHAELMAS TERM

Medical Society (Year 11 - 13)

Join Medical Society for UCAT preparation, interview practice, research, debates, and presentations. Suitable for all students considering a career in professional medical healthcare or animal care.

Meditation and Mindfulness

By teaching simple breathing and relaxation techniques, we can give children a life skill - the ability to regulate their emotions. Aimed at children throughout the senior school, we teach mindset work, how to improve focus and managing the anxieties of teenage life in school. This club is taught by an external expert.

Minecraft (Year 7 - 13)

Minecraft Club for Years 7 to 13 offers a fun, safe and creative space where students can collaborate, build, and explore virtual worlds. The club encourages teamwork, problem-solving, and digital creativity in a relaxed, social environment. **This club has an additional charge.**

RISHWORTH SCHOOL

MICHAELMAS TERM

Music Support and Music Theory (Year 10 & 13)

Music Support and Music Theory sessions for Years 10 and 11 provide focused help to strengthen practical skills and deepen understanding of musical concepts. Students receive tailored guidance in performance, composition, and theory to prepare confidently for exams.

Netball Training (Before School)

Before-school Netball Training offers dedicated time for players to improve their skills, fitness, and game strategy in a focused setting. These sessions build teamwork and confidence, preparing the squad for upcoming matches and competitions.

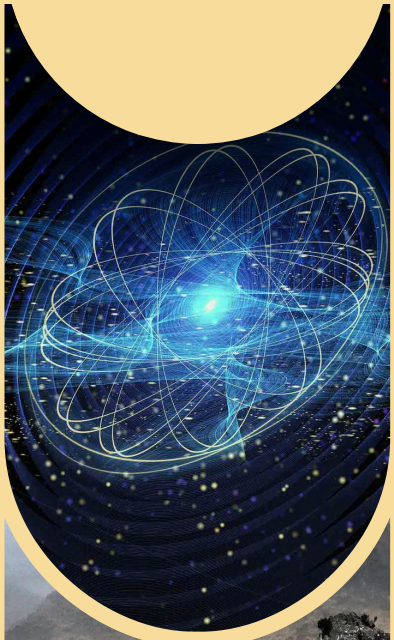

Netball Squad Training (Year 11 - 13)

Netball Squad Training for Years 11 to 13 provides intensive coaching to develop advanced skills, tactical awareness, and physical fitness. Players work together to build teamwork and competitive readiness, with opportunities to represent the school in high-level fixtures and tournaments.

RISHWORTH SCHOOL

MICHAELMAS TERM

Physics GCSE Revision

Physics GCSE Revision sessions offer targeted support to help students grasp challenging concepts, improve problem-solving skills, and prepare effectively for exams. Through interactive activities and focused practice, pupils build confidence and deepen their understanding of the subject.

Rambling (Year 7 - 13)

Rambling Club for Years 7 to 13 invites students to explore the outdoors through guided walks and hikes, promoting fitness and appreciation of nature. The club fosters friendship, wellbeing, and adventure in a relaxed, social setting.

Resistance Training (Year 10 & 11)

Resistance Training for Years 10 and 11 focuses on building strength, endurance, and overall fitness through guided weight and resistance exercises. Sessions emphasize safe techniques, progression, and personalized goals to support athletic performance and wellbeing.

RISHWORTH SCHOOL

MICHAELMAS TERM

Rounders (Year 7 - 10)

Rounders Club for Years 7 to 13 provides a fun and active environment to develop batting, fielding, and teamwork skills. Sessions focus on building confidence, strategic play, and preparing for friendly matches and competitions.

Rugby Squad Training (Year 7 - 13)

Rugby Squad Training for Years 7 to 13 offers focused coaching to enhance technical skills, physical fitness, and game strategy. Players develop teamwork, resilience, and competitive edge, with opportunities to represent the school in fixtures and tournaments.

Sailing

We are delighted to have formed a partnership with Hollingworth Sailing Club to be able to offer students the opportunity to follow an RYA accredited dingy sailing course. Students will learn how to sail in all directions, including an awareness of launching and recovering. By the end of the course, students will be able to sail independently in light winds under supervision. **This club has an additional charge. Please see seperate letter detailing this club later this year.**

SCHOOL NEWS

Issue #19, May 20, 202X

STUDENT GOVERNMENT LAUNCHES NEW RECYCLING INITIATIVE

"EVERY LITTLE BIT HELPS WHEN IT COMES TO PROTECTING OUR ENVIRONMENT," SAID JANE SMITH, CSA PRESIDENT.

Student Government Association at our university has taken a significant step towards environmental sustainability by launching a comprehensive recycling initiative. This initiative is about placing new bins around campus and fostering a culture of responsibility and care for our planet among the student body.

The program kicked off with a campus-wide campaign that included informational posters, social media challenges, and a series of workshops by the Environmental Science Club. The workshops cover topics such as the importance of waste, proper recycling techniques, and practical tips for...

The SGA has also partnered with local recycling companies to ensure that the materials collected are processed efficiently and responsibly.

This partnership will help the university meet its sustainability goals and contribute to the local economy by supporting green businesses.

A testament to the power of student change and leadership for university leaders...

School Newspaper (Year 9 - 13)

The School Newspaper for Years 10 to 13 provides students with the chance to develop journalism, writing, and editorial skills. Participants collaborate to research stories, conduct interviews, and produce engaging content for the school community.

School Production (Year 7 - 13)

Love performing? Join our School Production to help bring our next big show to life! Whether you enjoy acting, singing, dancing, or working behind the scenes, this club is the perfect place to develop your talents, make new friends, and have fun on and off the stage. Everyone is welcome!

Supercurricular Club (Year 10- Year 13)

Super-curricular activities extend learning beyond the standard classroom curriculum, enabling students to engage with academic subjects at a deeper and more advanced level. Students participating in super-curricular programmes can explore areas of personal academic interest through a diverse range of enrichment activities, including, though not limited to, academic competitions and university-led online courses.

RISHWORTH SCHOOL

MICHAELMAS TERM

Snowsports - Skiing (Year 6 - 13)

Skiing for Years 7 to 13 is designed for intermediate and advanced skiers to improve technique, speed, and control. Sessions focus on skill development, safety, and preparing pupils for competitive and recreational skiing opportunities. **This club has an additional charge.**
