Weather Announcements

If school is cancelled or delayed because of weather it will be announced on Marshall radio: KMHL - 1400 AM or www.marshallradio.net You will also receive an email or text from the School Messenger program. This program is used to send weather related closings as well as emergency information very quickly.

Make sure your email and phone are correct in our Synergy system to receive information. Email Diana or Karen with questions.

Little Lakers Preschool

Our preschool classes meet multiple days each week, allowing time to enhance and expand the learning opportunities available for your child. Each of our classrooms is staffed by experienced teachers and is designed to provide the foundation for a lifelong love of learning. Children are natural explorers and problem solvers - they learn through play! We strive to foster that growth and development through a variety of hands-on learning experiences.

What will my child learn?

Science – Math – Technology – Art – Music – Social Skills –
Problem Solving – Literacy Skills – Cooperation –
Large Muscle Movement – Fine Motor Skills – Creative Dramatics

Our preschool program has received the highest possible rating from Parent Aware. We are proud to use the best practices for preparing children for kindergarten.

Dear Laker Families –

Attached you will find a form to update our census records. It is important to keep our census up to date so that we can provide all area families with the services and programs that are age appropriate for their children. It is also used to determine district funding and send out information about early childhood screening and Kindergarten when your child is eligible.

If your family has recently had a baby, adopted a child, moved into or out of the district, and/or changed your address, please complete the attached form.

We do ask that all new families complete the form as well to make sure we have all of your family members accounted for.

If you have any questions, please feel free to contact me by phone at 507-423-5164 Ext 1105 or dianafoy@lakeview2167.com

Diana Foy, Early Childhood Coordinator

New Laker Babies!

Congratulations on the birth of your child! If you live in the Lakeview School District, please call us at 507-423-5164 Ext. 1103 and make arrangements to pick up your special ECFE baby bag!

Every Family Counts!

Are you on the school census?

Being on the census ensures that you will receive ECFE mailings, be notified for Early Childhood Screening, and receive Kindergarten information when your child becomes eligible to attend. This information also helps determine the funding our school receives and helps us plan programs and services. Call 507-432-5164 Ext. 1103 or complete the form below if you have recently had a baby, adopted a child, moved to this district, and/or changed your address.

Census for School District #2167

If new to Cottonwood or Wood Lake, or if you have a child 0-4 years of age, contact Lakeview School at (507) 423-5164 Ext 1105 or complete this form and mail to:
