Senior Spots

Our parking lot is looking more colorful than ever! Seniors who paid to reserve a parking spot and had their designs approved by administration began painting this week, transforming the lot into a vibrant display of creativity. Each space is a little window into the personality of a senior, making the lot feel more like an outdoor art gallery than a typical school parking area - stop by and check out their creations!

Resource Fair

Coinciding with Back to School Night on Thursday, August 14, our Resource Fair will be hosted in the high school cafeteria from 4:30-7:00pm. Come find out about local family resources and services and talk with area agencies about opportunities. Johnson County Community Health Services (JCCHS) will be in attendance and able to provide immunizations. Fees may apply - contact JCCHS at (660) 747-6121 with questions.
