The school district believes that a fair and equitable district-wide school policy contributes to the quality of a student's whole life educational experience. Therefore, this district-wide school student handbook has been adopted as school policy. All school district policies affecting students are on the school district website.

It is the responsibility of the school board, administrators, and teachers to safeguard the health and safety of each student. The school board and district administrators will support district personnel, who, in dealing with students on disciplinary matters, act in accordance with state statute, state board of education regulations, and this policy.

### **Academic Dishonesty**

Cheating and plagiarism in any form are prohibited, (i.e. copying, plagiarizing, providing or receiving answers to exams, quizzes, papers, assignments or projects, or online technology to create work) and will result in a consequence. Students who cheat or commit plagiarism will be disciplined in accordance with the school district's "Student Discipline" policy. For the full policy, please refer to ISD #414 School Board Policy 506. The student may also be subject to a MSHSL Code of Conduct violation.

### **Academic Eligibility**

For full policy, please refer to ISD #414 School Board Policy 641 This policy is meant to consistently track students and their academic progress. This policy will provide checkpoints approximately every three weeks for our students and will enable support systems to help students in a quicker fashion. This policy will feature improved teacher/student communication, teacher/parent communication, school district/parent communication, and school district/coach/adviser communication.

### **Academic Honor Roll**

The honor roll is published each nine-week period for grades 7 and 8 and each semester for grades 9-12. Seventh and eighth grade honor roll will be based on their core classes grades. Our honor roll is divided into three sections,

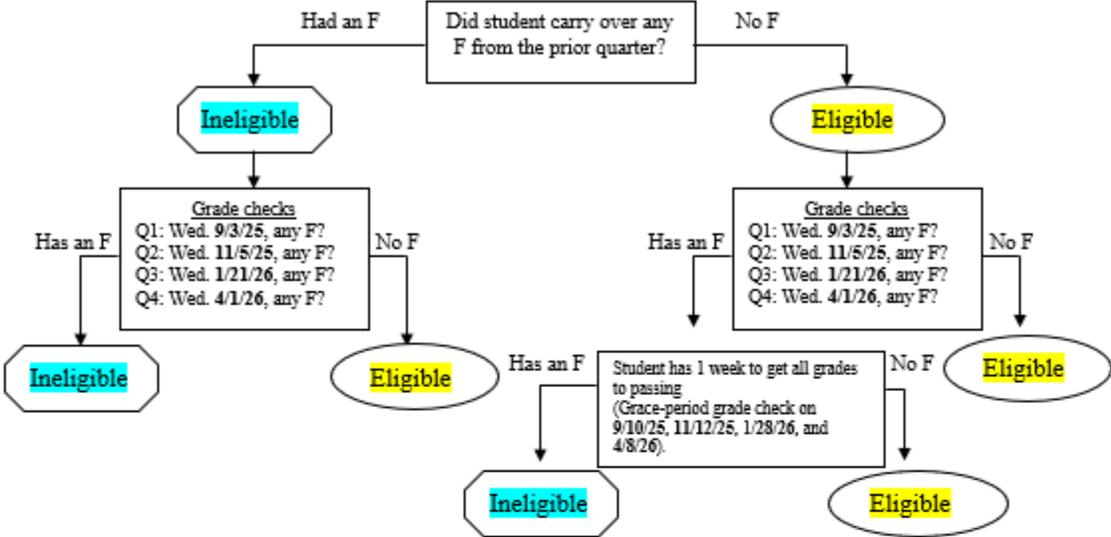

- Distinguished Honor Roll: 4.00 GPA
- High Honor Roll: 3.666 – 3.999 GPA
- Honor Roll: 3.33 – 3.665 GPA

If the student requires immediate medical attention, the principal or other district leader will call 911 or seek emergency medical treatment and then contact the parent(s).

## **Annual Review**

M.S. 127.42 requires that the principal and the licensed employee must meet annually to review the discipline policy. This review shall be done each year at the annual opening of the school workshop.

## **Attendance**

For full policy, please refer to ISD #414 School Board Policy 503.

The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communication between teachers and students, and establishes regular habits of dependability important to the student's future. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.

This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. This policy will assist students in attending class.

**\*\* Please note: Parents may excuse their child up to 10 times per semester. After that a doctor's note is required for excused absences.**

Except when escorted by a staff member, any student leaving the building during class time must SIGN OUT in the office and SIGN IN upon return. Teachers may not send students home or on errands which will take them out of the school building. All such requests are approved by the principal or her designee.

### Excused Absences / Tardies

- To be considered an excused absence, the student's parent or legal guardian will be asked to verify, in writing or by phone, the reason for the student's absence from school. Any anticipated absence from school requires written or verbal notice from the parent/guardian on the day of the absence or prior to the day of absence. Parents are to call the high school secretary (507-872-6175) extension 1100 by 8:30am. An e-mail, and/or voicemail are also an acceptable form of communication. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.
  
- The following reasons shall be sufficient to constitute excused absences:
  - Illness, injury, or hospitalization of the student.
  - Serious illness in the student's immediate family.
  - A death or funeral in the student's immediate family or of a close friend or relative.
  - Medical, dental, or orthodontic treatment, or a counseling appointment, (not haircuts, tanning, etc) which cannot be scheduled outside of school hours.
  - Court appearances occasioned by family or personal action.
  - Religious holidays. Religious instruction not to exceed three hours in any week.
  - Physical emergency conditions such as fire, flood, storm, etc. Conditions beyond the students' control (not missing the bus, oversleeping, or ride being late)
  - Official school field trip or other school-sponsored outing.
  - Removal of a student pursuant to a suspension. Out-of-School-Suspensions are to be handled as excused absences and students will be permitted to complete make-up work.
  - Family emergencies.
  - Active duty in any military branch of the United States.
  - A student's condition that requires ongoing treatment for a mental health diagnosis.
  - Students may use a maximum of four days per year to work at home. These four days are a part of your ten days total per semester excused.
  - Family trips taken with a parent if the principal or other administrator has approved the trip in advance. A maximum of five days in one semester, not to exceed ten days per school year, will be excused. At the principal's discretion, an absence for a family trip which exceeds five days can be counted as excused or unexcused.
  - Compliance with any provision of a disabled student's Individualized Education Plan (IEP) or Section 504 Accommodation Plan.
  - Any pre-approved absence which, in the principal's opinion, will provide educational value to the student. (example 4H, FFA state fair) Approval must be obtained from the principal prior to the absence.
  
- Consequences of Excused Absences
  - Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.

- In order to make up work following an excused absence, students are allowed one day for each day missed, plus one additional day. Example, if you miss two consecutive days, you have three days to make up the work. However, the building principal or the classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.
- Unexcused Absences / Tardies
  - Truancy. An absence by a student which was not approved by the parent and/or the school district.
  - Any absence in which the student failed to comply with any reporting requirements of the school district's attendance procedures.
  - Work at home (except as described above).
  - Work at a business, except under a school-sponsored work release program.
  - Any other absence not included under the attendance procedures set out in this policy.
- Consequences of Unexcused Absences
  - Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
  - Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
  - In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.
  - Students with unexcused absences shall be subject to discipline. Please refer to the discipline matrix for more information.

## **Asbestos Management Plan**

Minneota Public Schools has on file a complete and updated Management Plan dealing with Asbestos Containing Building Materials (ACBM) within the School District's buildings. The Management Plan is available for viewing by interested parties, Monday through Friday, 8:00 a.m. to 3:00 p.m. in the District Office. Copies of the management plan are available from the District for nominal cost.

As required by Federal law, the condition of asbestos in our school is surveyed every six months as part of an ongoing operations and maintenance program. A comprehensive inspection is conducted every three years. Concerns identified from these inspections are remedied by professional asbestos abatement contractors in a timely manner. The remaining asbestos in the district buildings will remain unless its condition deteriorates or it becomes necessary due to renovation. Minneota Public Schools also contracts with the Southwest/West Central Service Cooperative and IEA to provide environmental consulting services. If you have any questions or concerns, please address them with Les Engler, Director of Buildings and Grounds.

## **Attendance-Participation in Extracurricular Activities**

- This policy applies to all students involved in any extracurricular activity scheduled either during or outside the school day.
- School-initiated absences will be accepted and participation permitted.
- A student may not participate in any activity or program if he or she has an unexcused absence from any class during the day.
- If a student is suspended from any class, he or she may not participate in any activity or program that day.
- In order for a student to participate in a practice or event, he/she must be signed in by 10:00am if absent due to illness. Any student who leaves school ill after 10:00am for any length of time is unable to participate in practices or events. Exceptions will include dental/medical/legal appointments, family emergencies, funerals, religious events and/or school-related activities. All appointments must be accompanied by communication (note, phone call, e-mail) from a parent per standard district procedure. Any other exceptions must be approved by the Activities Director or High School Principal.

## **Attendance-Tardiness**

Students are expected to be in their assigned area at designated times. Failure to do so constitutes tardiness. It is a student's basic responsibility to get to school and class on time.

Students tardy at the start of school must report to the school office for an admission slip.

Tardiness between periods will be handled by the teacher and tracked through JMC Period Attendance. Parents can monitor via Parent Portal.

Please refer to the discipline matrix for consequences regarding tardies.

## **Backpacks**

No backpacks, satchels, or bags of any kind will be allowed to be carried during the school day.

Bags must be kept in the student's locker. Students should obtain any study materials for classes before school or during passing times.

## **Building and Grounds**

Students will be permitted in the school building before and after school or at night if he/she is actively participating in a school activity. The appearance of the buildings and grounds reflects the character of the people within the building. Please help us to maintain a clean, bright, and cheerful appearance.

No student or adult is allowed in the building unless under the direct supervision of a faculty member or coach/advisor. The supervising faculty member or coach/advisor shall be the first to arrive and the last to leave the building.

## **Bullying Prohibition Policy**

For full policy, please refer to ISD #414 School Board Policy 514.

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, the school district intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

An act of bullying, by either an individual student or a group of students, is expressly prohibited

1. on school premises, at school functions or activities, on school transportation;
2. by the use of electronic technology and communications on the school premises, during the school functions or activities, on the school transportation, or on the school computers, networks, forums, and mailing lists; or
3. by use of electronic technology and communications off the school premises to the extent such use substantially and materially disrupts student learning or the school environment.

A school-aged child who voluntarily participates in a public-school activity, such as a cocurricular or extracurricular activity, is subject to the policy provisions applicable to the public school students participating in the activity.

This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources. This policy also applies to sexual exploitation.

Malicious and sadistic conduct involving race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity as defined in Minnesota Statutes, chapter 363A is prohibited. This prohibition applies to students, independent contractors, teachers, administrators, and other school personnel. Malicious and sadistic conduct and sexual exploitation by a school district or school staff member, independent contractor, or enrolled student against a staff member, independent contractor, or student that occurs is prohibited.

No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.

Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.

Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited, and false accusations or reports of bullying against another student are prohibited.

A person who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying or permits, condones or tolerates bullying shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures, including the school district's discipline policy.

The school district may take into account the following factors:

1. The developmental ages and maturity levels of the parties involved;
2. The levels of harm, surrounding circumstances, and nature of the behavior;
3. Past incidences or past or continuing patterns of behavior;
4. The relationship between the parties involved; and
5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. The school district shall employ research-based developmentally appropriate best practices that include preventative and remedial measures and effective discipline for deterring violations of this policy, apply throughout the school district, and foster student, parent, and community participation.

Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events.

The school district will act to investigate all complaints of bullying reported to the school district and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

## Changing Schedules

Students need to make an appointment with the counselor to request a change in their class schedule. Any student who wishes to change classes must do so within four days after the start of each semester. Students will not be allowed to drop a class after the MHS deadline, unless approved by the high school principal. Please note this drop date is mandated by Minnesota High School and NOT by the withdrawal date set by the post-secondary institution. **PSEO (all college-credit bearing classes) students who drop a class after the deadline will receive an “F” on their high school transcript for that class.**

Part-time PSEO or students who are enrolled in online classes have a right to be in the building and will be assigned to a study hall. They will also be expected to adhere to all school rules/policies.

## **Cell Phones/Electronic Devices/Office Phones**

Cell Phones and other personal communication or electronic devices will only be allowed before and after school, during lunch, and between classes. Students are not allowed to use these devices during the time that class is in session. Such items include, but are not limited to, cell phones and smartwatches. It is the expectation that students place their cell phones in a designated location within the classroom that has been determined by the classroom teacher.

If a student is caught using their phone or smartwatch in class or it goes off causing a distraction and they haven't turned their phone into the designated area, it will be confiscated and turned into the office. The principal will be issuing detention and will keep the phone until the end of the day. These consequences never come into play if a student turns their phone in at the beginning of the hour.

- The office phone should only be used for emergency calls.
- Cell phones are not allowed to be used in the locker rooms or changing areas!
- The unauthorized taking of pictures or video of students, faculty, and/or adult staff is strictly prohibited.
- Earbuds/headphones are not allowed during passing time, lunch, or school assemblies.
- No cell phones, headphones/earbuds, or electronic devices may be used during class without the teacher's permission. Teachers may confiscate such devices being used inappropriately and turn them in to the principal.

## **Counseling and Guidance**

Colleges, technical, and private school representatives visit with Seniors and Juniors on a continuing basis during the school year. Also available are representatives from the Armed Services which include the Army, Navy, Air Force, Marines, and Minnesota National Guard. Students must check announcements and communicate with the counselor to get a pass.

Starting in October, the college-oriented testing programs begin and continue during the year. Tests include the Preliminary Scholastic Aptitude Test and National Merit Scholarship Qualifying Test (PSAT/NMSQT), the Armed Services Vocational Aptitude Battery (ASVAB), and the American College Testing Program (ACT) for Junior students.

Immediately in the fall, Seniors should begin applying for colleges and technical schools as well as looking into scholarships. There will be financial aid meetings for Seniors and their parents. In January/February, Seniors may begin applying for the local Dollars for Scholars program.

Students in Grades 9-12 will meet with the counselor during the school year to discuss graduation requirements, career choices, and post-secondary plans. Students are encouraged to visit with the counselor or principal about graduation requirements, career choices, class schedules, as well as personal issues.

The counselor and high school principal can also help students when referrals are necessary for Health and Community Services, Social Services, Vocational Rehabilitation, Speech Therapy, post-high school educational and occupational information.

Within 30 days of the start of each school year, the school district must give parents and students direct and timely notice, by United States mail, e-mail, or other direct form of communication, of any curriculum, testing, or assessment technology provider contract affecting a student's educational data. The notice must:

1. identify each curriculum, testing, or assessment technology provider with access to educational data;
2. identify the educational data affected by the curriculum, testing, or assessment technology provider contract; and
3. include information about the contract inspection and provide contact information for a school department to which a parent or student may direct questions or concerns regarding any program or activity that allows a curriculum, testing, or assessment technology provider to access a student's educational data.

The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

## **Nurse Guidelines**

### Head Lice

If you suspect that your child has head lice, seek medical advice. If your child has head lice or was treated for head lice, please contact the school nurse. If a student has signs that head lice are present, a trained staff person may check the student for live head lice.

1. First case of head lice
  - a. Contact student's parent to have student removed from school as soon as possible.
  - b. Parents will be given lice control information by school personnel.
  - c. Student will not go back to class until 24 hours after treatment is completed
  - d. Trained staff person will check affected student before he/she returns to the classroom (upon return to school, the student needs to go to the school nurse to be checked or discuss with advisor). If live lice are found, student will be sent home again – this will be repeated until no live lice are found by trained staff after student returns to school.
  - e. Student will be checked again in 10 days after return to the classroom.
2. Second case of head lice, same student
  - a. Contact parent for student to be picked up. Talk with parent and have them tell what they did to rid student, family and house from the first case of lice.
  - b. Trained staff person will check affected student before he/she returns to the class (upon return to school, the student needs to go to the school nurse to be checked or discuss with advisor). If live lice are found, student will be sent home again – this will be repeated until no live lice are found by trained staff after student returns to school.
  - c. Student will be check again in 10 days after return to class.
  - d. Other students in school may be checked if needed.

3. Third case, same student
  - a. Same as above in number two
  - b. Home visit by school nurse and/or social worker if needed.
4. School's Plan of Last Resort. (To be planned by school administration and school nurse).

### Illness or Injury

STUDENTS ARE REQUIRED TO REPORT ALL ACCIDENTS TO THE OFFICE WITHIN 24 HOURS OF THE OCCURRENCE SO THAT A WRITTEN REPORT CAN BE FILED. In case of illness or injury in which it does not seem advisable for the child to remain in the classroom, the parents will be contacted by telephone to come to school and pick up their child. In cases where parents are not available by telephone, emergency numbers that parents have given to the school will be used and these people will be asked to come to school to pick up the child.

If parents are contacted, but for some reason they are unable to pick up their child or to authorize someone else to do so. If not available, the child will remain at school during school hours and will return home by his/her regular means (bus or walk) except in such cases in our opinion medical aid is needed immediately, an ambulance will be called at the parents' expense and the child will be sent to the emergency room at one of the hospitals. No student will be sent home unless there is an adult to assume responsibility for their welfare.

Please keep your child home if he/she:

- has had an oral temperature of 100 degrees or higher in the past 24 hours.
- has vomited 2 or more times in the past 24 hours.
- has diarrhea and/or he/she is not feeling well and needs to use the bathroom frequently.
- has a rash for which the cause is unknown; see your healthcare provider.
- has an illness that prevents him/her from participating in routine activities.

### Attendance Rules for Common Communicable Diseases

Parents are asked to please NOT send their children to school when they are sick. Not only can they not function properly in school when they are feeling poorly, but they will also expose other children to an infectious disease. Parents are asked to notify the school nurse/office immediately if their child contracts any of the below mentioned communicable diseases so we can work toward preventing further outbreaks.

- Fever: Students are to be excluded from school if his/her temperature is 100 degrees or more. Students must be fever free for 24 hours without the use of fever reducing agents (Tylenol, Advil/Motrin, etc.) before returning to school.

- Colds: Students should be excluded from school (especially for younger children) for the one or two days when they feel the most ill (earache, sore throat, runny nose, watery eyes, fever, etc.).
- Influenza: Students with Influenza A or B should be excluded from school immediately. Students should not return until the fever has been gone for 24 hours. Please notify the school nurse/office if your child has influenza like symptoms which include a fever AND cough or sore throat.
- Pink Eye: Students are to be excluded if there is thick white or yellow drainage, redness of the eye and eye pain. Your child may return after being examined by his/her health care provider and approved to return with a note from him/her.
- Fifth Disease: Call the school nurse or office if your child has been diagnosed with Fifth Disease. Students do not need to stay home from school if other rash-causing illnesses are ruled out by a health care provider. Persons with fifth disease are unlikely to be contagious once the rash appears.
- Chicken Pox: Students with chicken pox are to be excluded from school until ALL blisters have dried into scabs. This is usually about six days after the rash began. (Notify school nurse/office immediately.)
- Impetigo: Students with impetigo are to be excluded from school immediately. Your child may return after being examined by his/her healthcare provider and 24 hours after treatment has started. It is recommended to cover lesions. Please notify school nurse/office if diagnosis was made by healthcare provider.
- Scabies: Students will be excluded from school immediately. Your child may return after being examined by his/her healthcare provider, having been on treatment for 24 hours and have a note from the healthcare provider with approval to return to school. Please notify school nurse/office.
- Ringworm: The infected child will be excluded from school until they have been examined by his/her healthcare provider and treatment has been started. Any child with ringworm should not participate in gym and other close contact activities that are likely to expose others if the lesions cannot be fully covered or until 72 hours after treatment has begun. Please notify school nurse/office.
- Rashes: Students will be excluded from school immediately when they have an undiagnosed rash or rash attributable to a contagious illness or condition. Some rashes are

highly contagious (such as measles, if measles is suspected consult your physician immediately). Notify school nurse/office with questions.

- StrepThroat: Students with strep throat should be excluded from school until at least 24 hours after an antibiotic treatment has begun and fever is gone. \*Whenever you have a question about your child's health, please feel free to contact the school nurse or your physician.

#### Prescription and Non-Prescription Medications

For full policy, please see ISD #414 School Board Policy 516.

The purpose of this policy is to set forth the provisions that must be followed when administering non-emergency prescription medication to students at school.

The school district acknowledges that some students may require prescribed drugs or medication during the school day. The school district's licensed school nurse, trained health clerk, principal, or teacher will administer prescribed medications in accordance with law and school district procedures.

### **Parent Right to Know**

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;
3. the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
4. whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district will provide notice to parents if their child has been assigned to, or taught for four or more consecutive weeks by a teacher who is not highly qualified.

A parent may request to be notified prior to the application of certain pesticides on days different from those specified in the notice. Additional information regarding what pesticides are used, an estimated schedule of pesticide applications (which will be available for review or copying at the school office), and the long-term health effects of the class of pesticide on children can be requested by contacting Les Engler at 507-872-6532 ext. 1157.

## **Pledge of Allegiance**

Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice.

## **Procedures for Appeal and Grievances**

Parental or staff requests for modification of any of the policies may be orally presented to the Principal or Superintendent at their respective offices. If accord is not reached by this means, application for modification of a policy provision may be made in writing to the Board of Education for consideration at its next regular monthly meeting.

Appeal procedure, when a party is aggrieved, shall be the same as for policy modification, except when warranted, special meetings of the Board of Education may be called by the Chairman.

Teachers may use the comment section on the report card to indicate positive and/or poor work habits or conduct.

There are no weighted grades.

Incomplete work becomes an F one week after report cards are handed out. A final grade must be submitted by the instructor at that time.

**Removal from Class**

Removal from class is the short-term exclusion of a student from school during which the school retains custody of the student. Students removed from class shall be the responsibility of the principal or their lawful designee. The removal of a student from class shall not exceed five class periods. The decision as to removal shall ultimately be up to the principal. The removal from class may be imposed without an informal administrative conference where it appears that the student is disruptive and/or will create an immediate and substantial danger to himself or to persons or property around him. The length of time of the removal from class shall be at the discretion of the principal after consultation with the teacher. Mediation with student, parent, teacher and principal may be needed.

Suspension is the short-term exclusion of the student from school during which the school is relieved of custody of the child. Suspension, exclusion and expulsion shall be utilized in accord with the Pupil Fair Dismissal Act.

\* Nothing in this policy is intended to conflict with the Pupil Fair Dismissal Act.

\* Parents and students shall be notified in writing of violations of the rules of conduct and resulting disciplinary actions as required by the Pupil Fair Dismissal Act.

## **Rules of Conduct**

Disciplinary action may be taken against students for any behavior which is disruptive of good order or violates the rights of others.

School Premises include: A school building, school grounds, school activities or trips, bus stops, school buses or school vehicles, school-contracted vehicles, the area of entrance or departure from school premises or events, and all school-related functions.

School officials at all times possess the right to search any school property and request personal property to be searched.

## **School Activities**

The school district provides opportunities for students to pursue special interests that contribute to their physical, mental, and emotional health. Formal instruction is the school district's priority.

Students who participate in school-sponsored activities are expected to represent responsibly the school and community. All rules pertaining to student conduct and student discipline apply to school activities.

All spectators at school-sponsored activities are expected to behave appropriately. Students and employees may be subject to discipline. Parents/guardians and other spectators may be subject to sanctions for inappropriate, illegal, or unsportsmanlike behavior at these activities or events.

The Minnesota School District is a member of the Minnesota State High School League (MSHSL). Students who participate in MSHSL activities must abide by the MSHSL rules. The district will enforce all MSHSL rules during the school year and in the summer as applicable.

Employees who conduct MSHSL activities will cover applicable rules, penalties, and opportunities with students and parents/guardians prior to the start of an activity.

## **School Closing**

Delaying or closing school because of bad weather is a decision that is often made with short notice to students, parents, and staff. I have found that a late start due to fog or limited visibility is one of the more difficult decisions, as fog and limited visibility can be spotty or move in after buses are sent out. For me, these decisions are based on common sense, and I tend to make decisions based on the safety of our students, staff, and families.

Given the weather conditions when school is open, parents may not want to send their child on the bus – while we always want your child in school, we respect the parental right to keep them home.

We utilize SchoolMessenger as the initial contact with families when there is an early dismissal, late start, or school is cancelled for the day. Additionally, a list of radio/TV stations that the school contacts are noted in student handbooks.

Several tasks occur before deciding to either delay or close school. Depending on weather and road conditions, the decision on a late start or close for the day is made as early as possible, typically before 6:00 a.m. It is possible that weather will dictate a variation.

If we proceed with a late start, the decision to remain closed or open two hours late is made as early as possible, typically around 8:00 a.m. **Breakfast is still served when school is on a two-hour late start. Morning school activities and field trips will be canceled or rescheduled for another day.**

**All school activities, practices, and community education events are canceled if school is closed early or canceled for the day.** The Activities Director may make exceptions, in consultation with other school staff and administration.

Once the decision is made to close early, radio/TV stations will be notified, and an announcement is made through SchoolMessenger that the school will be closing, including the time buses will leave. Both staff and students should have an alternate place to stay if the weather does not permit them to go home.

Given the use of cell phones, word travels quickly on school day changes which sometimes is helpful and other times causes confusion. School closing procedures allow staff to have an orderly process for getting the students home safely.

Extra-Curricular Activities:

The following procedures will be followed:

- A. All practices for all sports/activities/community ed are automatically canceled.
- B. If school is canceled, all scheduled activities and events are automatically canceled.

**Playoff clause:**

**Should a full school day be canceled because of weather, the school administration may allow a team to practice if:**

- A. It's the day before a playoff game.
  1. Only applies to a varsity team
  2. Parent's discretion to own a child's decision to practice, athletes will not be held accountable for missing practice on these days.

**Should school be dismissed early because of weather, the school administration may allow a team to practice if:**

- A. practice is conducted during the school day and is scheduled to conclude, so the student/athletes are dismissed at the scheduled closing time.
- B. practice is limited to up to 1.5 hours.
- C. it's a playoff season.

\*Only applies to a varsity team

\*\*It's the head coach's responsibility to attend the daytime practice

\*\*\*School administration has the discretion to decide whether or not to allow practice

## School Records

The school has on file your grades, attendance, standardized test scores, and discipline record that have resulted from your work since you began school. If you have attended several different schools, these records have all followed you to this school and are on file here.

Your records, or any part thereof, cannot be transferred in writing or orally to any other place without the written consent of you and your parent or guardian. Minneota Public School will forward records to other schools and post-secondary institutions where a student is enrolling, upon the written request of the parent, legal guardian, student, school or post-secondary institution. Students who are 18 years of age or older need not seek consent of their parents or guardian to exercise their right of access or control of transfer of their records.

All students' records will be treated in accordance with the provisions of Family Educational Rights and Privacy Act, Section 99.34, relating to disclosure of student records to other educational agencies or institutions. Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them.

Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, the school's website, student handbook, or newspaper article) is left to the discretion of each school.

## Search

**For full policy, please refer to ISD #414 School Board Policy 502.**

In the interest of student safety and to ensure that schools are drug free, district authorities may conduct searches. Students violate school policy when they carry contraband on their person or in their personal possessions or store contraband in desks, lockers, or vehicles parked on school property. "Contraband" means any unauthorized item, the possession of which is prohibited by school district policy and/or law.

If a search yields contraband, school officials will seize the item(s) and, when appropriate, give the item(s) to legal officials for ultimate disposition. Students found to be in violation of this policy are subject to discipline in accordance with the school district's "Student Discipline" policy, which may include suspension, exclusion, expulsion, and, when appropriate, the student may be referred to legal officials.

#### **A. Lockers and Personal Possessions Within a Locker**

Under Minnesota law, school lockers are school district property. At no time does the school district relinquish its exclusive control of lockers provided for students' convenience. School officials may inspect the interior of lockers for any reason at any time, without notice, without student consent, and without a search warrant.

Students' personal possessions within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials will provide notice of the search to students whose lockers were searched, unless disclosure would impede an ongoing investigation by police or school officials.

#### **B. Cell Phones and Other Electronic Communication Devices**

Students also are prohibited from using a cell phone or other electronic communication device to engage in conduct prohibited by school district policies including, but not limited to, cheating, bullying, harassment, and malicious and sadistic conduct. If the school district has a reasonable suspicion that a student has violated a school rule or law by use of a cell phone or other electronic communication device, the school district may search the device. The search of the device will be reasonably related in scope to the circumstances justifying the search.

#### **C. Desks**

School desks are school district property. At no time does the school district relinquish its exclusive control of desks provided for students' convenience. #### **E. Vehicles on Campus**

##### **Patrols and Inspections**

School officials may conduct routine patrols of student parking lots and other school district locations and routine inspections of the exteriors of the motor vehicles of

students. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

### **Search of the Interior of a Student's Motor Vehicle**

The interior of a student's motor vehicle, including the glove and trunk compartments, in a school district location may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy or rule. The search will be reasonable in its scope and intrusiveness. Such searches may be conducted without notice, without consent, and without a search warrant. ## School-Sponsored Media

The school district's policy is to protect students' free speech rights while, at the same time, preserving the district's obligation to provide a learning environment that is free of disruption. All school publications are under the supervision of the building principal and/or sponsor. Non school-sponsored publications may not be distributed without prior approval.

### **A. Distribution of Non school-Sponsored Materials on School Premises**

The school district recognizes that students and employees have the right to express themselves on school property. This protection includes distributing non school-sponsored material, subject to school district regulations and procedures, at a reasonable time and place and in a reasonable manner.

### **B. School-Sponsored Student Publications**

The school district may exercise editorial control over the style and content of student expression in school-sponsored media as defined in Policy 512 and activities. Student media advisers shall supervise student writers to ensure compliance with the law and school district policies. Students producing school-sponsored media and participating in school activities will be under supervision of a student media adviser and the school principal. Expression in school-sponsored media or school-sponsored activity is prohibited when the material:

School-sponsored media may be distributed at reasonable times and locations.

## **Student Council**

The Student Council is an organization of students selected by the advisor, to serve as the student body's official representatives in matters of concern to the entire school in areas where the council has been given power and authority by the administration. It is comparable to a lawmaking body in that student members are elected to represent and speak for the group.

## **Student Data Privacy**

The school district must provide information regarding student data uploaded to any curriculum, testing, or assessment technology provider within the first 30 days of the school year. The school will identify each curriculum, testing, or assessment provider, the educational data affected by the curriculum, testing, or assessment technology provider, and information about the contact information to direct questions or concerns regarding any program or activity. Parents also have the right to inspect a complete copy of any contract with a technology provider. Please contact Lindsey Larson with any requests.

## **Student/Parent Notification**

Parents shall be notified in writing of violation of the rules of conduct and resulting disciplinary actions by first-class mail except as provided otherwise by The Pupil Fair Dismissal Act. Students shall be notified of violations of the Rules of Conduct and resulting disciplinary actions verbally except as provided otherwise by The Pupil Fair Dismissal Act.

## **Student Work**

Students should be aware that classroom work (for example, art projects, class projects, etc.) may be displayed by the instructor. If parents or students do not want their work displayed, written notification must be given to the principal by the parents.

## **Suicide and Depression Prevention**

We understand that suicide is a serious public health concern that can take an enormous toll on students, families, staff, and communities. Concerns about and the number of suicides may be reduced through education, awareness, and services for students and families via mental health practitioners and community organizations. As an essential part of the team, school personnel are instrumental in recognizing symptoms, identifying at-risk students, and providing them with access to mental health resources.

### **The National Suicide Prevention Lifeline is now: 988 Suicide and Crisis Lifeline**

The nationwide number will route callers to the National Suicide Prevention Lifeline. **If you or someone you know needs help, dial 988** to be connected to trained counselors that are part of the existing National Suicide Prevention Lifeline network. These trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary. For more information, go to <https://988lifeline.org/>.

## **Surveys**

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. For complete information on the rights of parents/guardians and eligible students about conducting surveys, collection, and use of information for marketing purposes, and certain physical examinations, see the school district’s “Student Surveys” policy at ISD #414 Policy 520.

## **Tennessee Warning**

The Minnesota Government Data Privacy Act provides you with certain rights. These rights include, but are not limited, to the following:

\*Whenever a government agency asks you to provide private or confidential data about yourself, you must be told:

- the purpose and intended use of the data requested;
- whether the individual may refuse to supply or is legally obligated to supply the data;
- any known consequences of supplying or not supplying the data; and the identity of other persons authorized to receive the data.

## **Testing/Opting Out of Tests**

Minnesota students take some form of the Minnesota Comprehensive Assessments, or MCAs. The MCAs are given in the spring of each year to students in grades 3–8 in reading and math. In high school, Minnesota students take one last Reading MCA in grade 10 and one last Math MCA in grade 11.

The Science MCAs are given in grades five and eight and once in high school.

Students who receive special education services and meet eligibility requirements take the Minnesota Test of Academic Skills (MTAS) in the same grades.

Most Minnesota students will take the MCA online during their school day, likely in their classrooms. The MTAS is given by a teacher or another school administrator in a paper format.

Each Minnesota school district decides when students will take their assessments within a designated spring testing window.

Both the MCA and the MTAS measure student learning of the Minnesota Academic Standards. More detailed information about Minnesota’s K–12 Academic Standards can be found on the [Academic Standards section](#) of the MDE website.

### **Estimated Test Administration Times**

None of Minnesota’s statewide assessments are timed. Students may take as much time as they need. Students who take either the MCA or MTAS spend around two hours per subject. State law limits the total amount of time per year that students may spend taking school- and district-wide assessments to no more than 10 hours for grades 1 through 6, or 11 hours for grades 7 through 12. The reading test is estimated to take 1.5-2 hours to complete. The math test is estimated to take 1.5-2 hours to complete. The science MCA is estimated to take 1 to 1.5 hours to complete.

### **Student Participation in Statewide Assessments**

Statewide assessment results are used to evaluate how districts and the state are teaching the applicable standards, so each student’s assessment results play an important role when deciding where resources are most needed. They are also crucial in determining whether changes to instruction, efforts toward equity, and emphasis on inclusion are making a difference for students. The data gathered from assessment results inform each district, and they show clear trends over time.

Minnesota Statutes, section 120B.31, subdivision 4a, requires the Minnesota Department of Education (MDE) to publish a form for parents/guardians to complete if they refuse to have their student participate in state-required standardized assessments. It includes some basic information to help parents/guardians make informed decisions that benefit their child and their school and community. The form to meet this legislative requirement is available at the link below. When completed, it must be returned to your student’s district; your student’s district may require additional information

[2025 – 2026 Statewide Assessments: Parent/Guardian Participation Guide and Refusal Form](#)

### **Preparing for Assessment Day**

Parents/guardians and families can help their students prepare for the statewide assessments by making sure they understand why they are taking the assessments. Using positive language about the assessments, practicing stress-reducing strategies and having a healthy meal before testing can also help each student do their best.

### **Schedule**

Each Minnesota school district decides when their students will take the statewide assessments within a testing window set by the state.

Each district is required to post a school calendar that includes information about all statewide, district-wide, and school-wide assessments to be given each school year, including why each assessment is given and whether it is required by state or federal law. Parents/guardians and families are encouraged to contact their schools for more information about school- or district-wide assessments. The testing schedule can be found on the school website on the “Testing” page.

### **Administration and Security**

For teachers, families, students, and others wishing to report assessment administration concerns to MDE, please view the different types of assessment administration concerns using the following links:

Test Security: Maintaining the integrity of assessments and assessment items is very important to MDE. Improper or unethical behavior by students or educators undermines the validity of assessment scores. Please report suspected incidents such as cheating, improper assistance, and/or the sharing or copying of assessment content by using the [Minnesota Statewide Test Security Tip Line](#).

Testing Disruptions: Minnesota state law requires MDE to provide a way for the public to review and report online testing disruptions that have occurred, such as a technical issue that impacted testing. Note that these reports are intended to provide awareness to MDE about disruptions. They should NOT be used to seek assistance for resolving issues; instead, districts and schools must contact the appropriate service provider directly when seeking assistance with technical issues impacting testing. Use the [Testing Disruption Tracking System](#) to view or report testing disruptions.

## **Tobacco-Free Schools; Possession and Use of Tobacco, Tobacco-Related Devices, and Electronic Delivery Devices; Vaping Awareness and Prevention Instruction**

School district students and staff have the right to learn and work in an environment that is tobacco free. School policy is violated by any individual’s use of tobacco, tobacco-related devices, or carrying or using activated electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Students may not possess any type of tobacco, tobacco-related devices, or electronic delivery devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Any student who violates this policy is subject to school district discipline.

Bicycles must be parked in the racks provided. The school is not responsible for damage or theft of parts while bicycles are parked in the racks.

### Bus

The school district is committed to transporting students in a safe and orderly manner. To accomplish this, student riders are expected to follow school district rules.

The address must be in the attendance area of the assigned school and meet all other eligibility requirements.
- IV. Conduct on School Buses and Consequences for Misbehavior Riding the school bus is a privilege, not a right. The school district's general student behavior rules are in effect for all students on school buses, including nonpublic and charter school students.

The consequences for school bus/bus stop misconduct will be imposed by 4.0 Bus Service, a Principal or school administrator, and/or the school district under adopted administrative discipline procedures. In addition, all school bus/bus stop misconduct will be reported to the school district's transportation safety director. Serious misconduct may be reported to local law enforcement.

#### A. School Bus and Bus Stop Rules

The 4.0 Bus Service and the school district school bus safety rules are to be posted on every bus. Decisions regarding a student's ability to ride the bus in connection with cocurricular and extracurricular events (for example, field trips or competitions) will be in the sole discretion of the school district. Parents or guardians will be notified of any suspension of bus privileges. All decisions are made by 4.0 Bus Service in conjunction with the school district.

## Consequences for PreK-12 Students

1st offense	Warning & parent notification.
2nd offense	Up to a 3 school-day suspension from riding the bus & parent notification.
3rd Offense	Up to a 5 school-day suspension from riding the bus & parent notification.
Further offenses	Individually considered. Students may be suspended for longer periods of time, including the remainder of the school year.

### 1. Other Discipline

Based on the severity of a student's conduct, more serious consequences may be imposed at any time. Depending on the nature of the offense, consequences such as suspension or expulsion from school may also result from school bus/bus stop misconduct.

### 2. Records

Records of school bus/bus stop misconduct will be forwarded to the individual school building and will be retained in the same manner as other student discipline records. Reports of student misbehavior on a school bus or in a bus-loading or unloading area that are reasonably believed to cause an immediate and substantial danger to the student or surrounding persons or property shall be provided by the school district to local law enforcement and the Department of Public Safety in accordance with state and federal law. Records may also be maintained in the transportation office.

### 3. Vandalism/Bus Damage

Students damaging school buses will be responsible for the damages. Failure to pay for such damages (or make arrangements to pay) within two weeks may result in the loss of bus privileges until paid.

All drivers will observe a 10 MPH speed limit in the parking lot. Students needing to access vehicles during the school day must report to the office where they may be required to have a staff member escort them.

### **Transportation of Students Attending School-Sponsored Activities**

Minneota Public School provides transportation from the Minneota Public School to the sponsored activities, and back to the Minneota Public School for all students involved in school sponsored activities. The Ivanhoe school district will be responsible for transporting students to the Minneota Public School, and back to Ivanhoe for Minneota Public School sponsored activities. All students are to ride on the buses to and from school sponsored activities unless there is a specific and valid reason as to why they will be riding with their parents to or from the activity. If this is the case, the parent will submit in writing the reason as to why their son or daughter should be permitted to use this alternate form of transportation. This request will be reviewed by the high school principal, or designated school official, and coach or director who will decide whether or not to honor such request. Any changes or cancellations need to be reviewed by the proper personnel. Parents must talk to the coach and provide a written note when they (parents) are going to provide a ride home for the student.

A parent may request that their son or daughter rides home with an approved adult who is not a student in high school. If the student rides home with their parents or an approved adult who is not a high school student, the parent will submit the request to the athletic director in writing the reason as to why their son or daughter should be permitted to use this alternate form of transportation and who will be driving.

Failure to comply with this policy will result in the student not being permitted to participate in that scheduled activity for that day or the next scheduled competition.

\*\*School administrators have the ability to exercise discretion regarding the above transportation policy.\*\*

## Visitors

In maintaining a non-threatening environment, student and adult visitors are not permitted at Minneota High School during regular school hours. Administrators, with twenty-four-hour notice, may grant exceptions to this policy and the visit must be for educational purposes. Visitors are permitted to park in designated school district visitor parking areas.

A student who brings a firearm to school will be expelled for at least one year, subject to school district discretion on a case-by-case basis.
