

Impact Report on EITC & OSTC Programs Spring 2025

Thank you for your participation in Pennsylvania's Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs and for directing your gift to The Episcopal Academy.

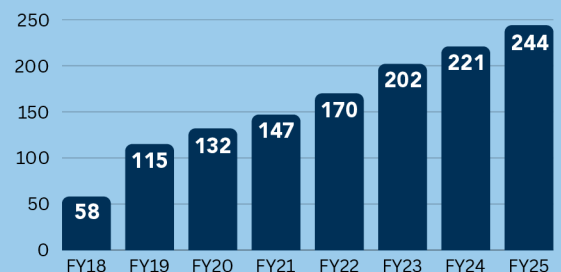

The Impact of EITC & OSTC at The Episcopal Academy

The Episcopal Academy continues to be strengthened by the extraordinary generosity of our EITC and OSTC participants. During the 2024-2025 academic year, we reached a record-breaking \$6.37 million in support, directly impacting more than 130 students in our community. Beyond providing financial aid, these programs help us attract and enroll bright, motivated students who enhance the Episcopal community in our classrooms, arts, athletics, and more.

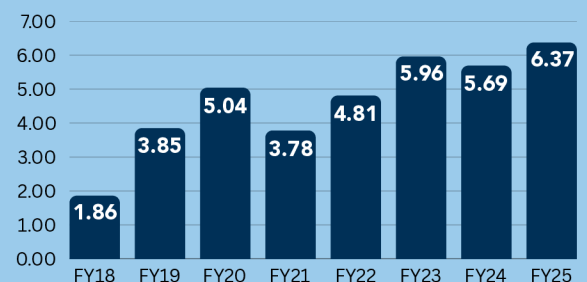

"The students of Episcopal Academy are the cornerstone of our community," said Greville Haslam Head of School Dr. T.J. Locke, Hon. "Their talents, perspectives, and ambitions are what make our school exceptional, elevating the learning experience for all and inspiring growth, innovation, and excellence across campus."

On behalf of our students and the EA community, thank you for your commitment to making an EA education possible for the most talented and deserving students.
