#### WHAT IS A VOLUNTEER?

Parent Visitors do not have the same definition as a **Volunteer** 

- A <u>volunteer</u> is defined as a non-paid individual who, with school District authorization, assists students, schools, or educational programs regularly. The service can be on a short-term, project-specific or ongoing basis. A volunteer is required to complete a Volunteer Application, sign a Code of Conduct, take a tuberculosis (TB) test, and <a href="https://have.a.fingerprint/background-check-completed-prior-to-rendering-service">https://have.a.fingerprint/background-check-completed-prior-to-rendering-service</a>.
  - Examples of a volunteer include: a parent helping out in their child's classroom, a parent transporting students to a field trip, a parent/individual attending a field trip with students, a college student assisting with a class for credit, etc.
- A <u>visitor</u> is defined as an individual who, with District authorization, attends a student performance, special event, etc. A visitor does not need to have fingerprint clearance or a tuberculosis test. A visitor is never alone with students.
  - Examples of a visitor include: a parent attending Open House, Back-to-School Night, a sporting event, an IEP Meeting, acting as a presenter for Career Day, visiting the classroom or lunchroom on a limited basis, etc.
  - A parent/guardian who visits their child at school on a regular basis and stays more than 15 minutes would be considered a volunteer
  - All visitors must sign in at the front office of the school site and wear a visitor identification badge at all times.

#### CONFIDENTIALITY AND REPORTING INFORMATION

- When you hear and observe things about students, families and staff while volunteering, it is imperative that you respect the confidentiality of that information. (Repeating a seemingly harmless comment can lead to misunderstandings). For schools to provide the best environment for learning, everyone's privacy must be respected.
- Volunteers are not considered "mandated reporters" under California law, but volunteers should be aware of child abuse reporting requirements for school employees.
  - School personnel must report:
    - Cases of suspected infliction of physical or mental suffering on minor,
    - Cases of suspected physical injuries to minors by other than accidental means, and
    - Cases of suspected sexual molestation.

# If you become aware of suspected child maltreatment, report your observations to a supervising teacher or site administrator.

Volunteers function in a position of trust and the Natomas Unified School District does not extend that volunteer/student
trust relationship outside of the supervised school environment. It is the responsibility of the volunteer to notify the site
administrator immediately if he/ she becomes involved with a student/ family outside the NUSD environment.
