Valley Transit &

WisGO App

Scan or Tap to Ride

Beginning this school year, Valley Transit is transitioning to a new fare collection system. While AASD middle and high school students will continue to ride Valley Transit buses for free, student ID cards will no longer be accepted as fare. To ride for free, students must now use either the WisGO card or the WisGO mobile app. Students will choose one method only—either the card or the app—not both. Each student who plans to ride Valley Transit will need their own unique WisGO card or app code. These are not transferable. To get started, students must visit their school's main office at the beginning of each school year to receive either:

- A physical WisGO card, or
- A one-time activation code to set up the WisGO app on their smartphone.

If a physical card is lost, the student must return to the school office to report it and receive a replacement. If your student selects the app option, please download the WisGO app on their smartphone before visiting the school office, as this will help streamline the setup process. Instructions for downloading and setting up the app are included with this message. Please note: We kindly ask that only students who plan to use Valley Transit regularly for school or work visit the school office to receive a WisGO card or app code.

Grace Period for Start of School Year

To ensure a smooth transition, there will be a grace period during the first several weeks of school. During this time, students will still be allowed to ride Valley Transit without a card or app, giving everyone a chance to get signed up and ready.

Valley Transit Support at Back-to-School Events

Valley Transit staff will be available at select back-to-school events across AASD to:

- Assist with downloading the WisGO app
- Answer questions about the new fare system
- Share general transit information with families

We encourage families to take advantage of this opportunity for extra support and information.

BACK-TO-SCHOOL meet and greet

Appleton North invites all students and their families to our Back to School night on Wednesday, August 27, from 5:30 to 7:00 PM. Enjoy delicious food and beverages from local food trucks on the patio while exploring everything North has to offer!

The Activity Fair will take place in the school Commons, showcasing a wide range of programs and opportunities for students. Our Link Crew will be available throughout the evening to offer guided tours and help students find their classrooms. Don't miss a special presentation by Jere Kubuske, Athletic & Activities Director, sharing what's ahead for the upcoming school year.

Appleton North staff will be on hand to answer questions and assist families. We're excited to welcome both new and returning families to kick off the 2025-26 school year!

FIRST DAY OF SCHOOL WELCOME ALL NEW AND RETURNING STUDENTS

September 2

In order to prepare all of our incoming students for a smoother transition to our school, we have modified the first day schedule. Depending on your status as new upperclassman or returning upperclassman, you will arrive at school a different times.

STUDENTS PARKING INFORMATION

All students wishing to drive a vehicle to school and park in the school parking lot will need a parking permit. These permits are \$5.00, which covers the cost of the permit. One parking permit per family will be issued so if you have multiple vehicles you will need to transfer your permit between them. All cars and their plates must be registered on your application form. Application forms will be available in the Main Office. Students must bring their driver's license and vehicle license plate number to fully fill out the form [HERE](#).

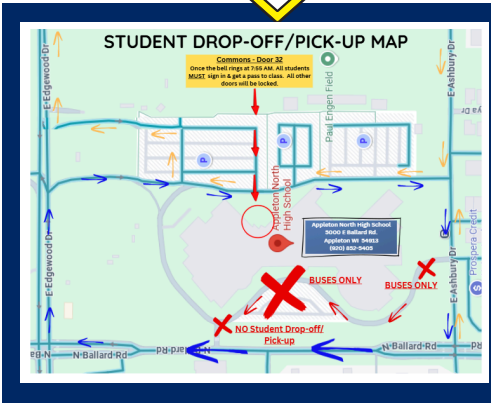

Students without parking permits can park on Ashbury Drive where street parking spaces are available. Please pay attention to signs and comply with city restrictions. Student parking spaces are limited and will be reflected in the amount of parking permits we are able to grant.

Having a parking permit is a privilege. Students who are suspended in or out of school may have their permit removed. If a student receives a detention, they must serve their detention in a timely manner as agreed upon by Administration or they may also have their permit removed. Excessive tardiness may result in having this permit removed. It may also be revoked by the School Resource Officer or Administration as deemed appropriate.

Students and staff may only park in designated parking stalls. Illegally parked vehicles will be ticketed. Please remember that a permit does not always guarantee you a spot to park. Unfortunately, there will be times where snow piles, service vehicles and unforeseen circumstances will overtake some of the school parking spots. If you cannot find a space to park, please park on the streets near the school.

school drop-off/pick-up PROCEDURE

Parents, please remember that the drop off zone for your students (AM and PM) is in the **back of the school parking lot**, not the front. The entrance is either on Ashbury or Edgewood Dr (JJ). However, exiting the parking lot is only from a specific exit found near the baseball field. This exits onto JJ. Please see the **MAP** on the right for details.

 **FRONT STAFF PARKING LOT**
ABSOLUTELY NO PARKING/DROP OFF/PICK-UP

 **NO PARKING/DROP OFF/PICK-UP**
7:30 AM TO 8:30 AM / 2:30 PM TO 4:30 PM

The front of the school is reserved for all cabs, Valley Transit and Lamers buses that drop off and pick up our students. Additionally, we have designated buses that provide transportation for students with special needs and the drop off is in designated areas closest to their classroom. This is most preferable and safe. We appreciate your help in providing a clear lane to transport students without traffic congestion. Our Bus Lanes have new fresh markings this year. Please comply as marked.

SENIOR PORTRAIT INFORMATION

It's time to get your senior photo taken! If you are using a photographer, please print this and bring it with you at the time of your appointment. Because there are so many photographers to choose from, and students often take their own photos, here are the guidelines you need to know regarding your yearbook headshot.

- All senior photos must be turned in by the October 31st due date so that there is time to deal with any issues before the actual pages are due to our publisher. NO EXCEPTIONS! Plan ahead!
- Photos should be submitted to Ms. Michelle Strom via email at: nhsyearbook@asds.k12.wi.us
- Digital copies are required -- the best way to do this is to have your photographer send in your selected photo. If you only have access to a print copy, you must scan it and email it.
- We reserve the rights to reject photos that do not meet the requirements listed below:
 - Photos must be at least a standard wallet size (especially when you are scanning them) and full resolution.
 - The picture must be a standard portrait, head and shoulders ONLY; no hands, raised arms.
 - We do NOT edit or crop photos. Photos should be submitted meeting the requirements.
 - Vertical pose / portrait oriented (we have found that landscape orientated photos often don't work since our photo boxes are portrait)
 - Photos must be in full color, no black and white, sepia, or loud filters.
 - Neutral backgrounds; outdoor shots are acceptable as long as the background is not distracting or bold. Look for greenery, pines, buildings with brick walls, stone walls, columns.
 - Attire must be appropriate - no hats, shirts with alcohol or drug references, etc. If wearing a strapless or thin strapped top - please make sure that enough of the top shows in the frame, keeping in mind that part of the top / bottom of the photo may be cut off.
 - No props allowed: friends, pets, outside poses with cars / weapons / etc, or backgrounds that are distasteful or loudly colored, etc.

School ID photos may be used. If a photo is not submitted by the deadline, and a school ID photo is available, the ID photo will be used. If you have any questions any questions, please contact our Yearbook Advisor:

ABSENCES & ILLNESS

HOW TO REPORT STUDENT ABSENCES & APPOINTMENTS

ABSENCE PROCEDURES:

To report an absence, a parent or legal guardian:

- Must call North Student Services office line at (920) 852-5405 (press 1 for illness and absences) as early as possible each day the student is absent.
- If leaving a message, please provide the student's name, grade, and reason for the absence. Please speak slowly and clearly-- Please spell out the Last Name. This will ensure we have the correct information.
- You have the option to reach a Spanish or Hmong interpreter.
- Messages are checked continually throughout the day.

EXCUSED ABSENCE WITH PRIOR PARENT REQUEST:

- A parent/guardian may request that a student be excused from school attendance prior to an absence occurring.
- The request can be made via phone contact with the school.
- The student may be excused by the parent/guardian under this provision for not more than 10 days in the school year.

PLEASE NOTE: After a student's 10th absence, documentation will be required for an excused absence.

HEALTH ROOM

& ILLNESS

If your student falls ill during school hours, it is important that they come to the nurse's office. Once they are in the Health Room, under our nurse's care, they are free to call a parent/guardian to consult with them as to what the next best step should be. When this step is skipped, it create confusion and is time consuming for the parent and Student Services staff.

We appreciate your assistance in this process.

DURING SCHOOL HOURS STUDENT DROP-OFF & PICK-UP

PROCEDURES

ONCE THE SCHOOL DAY BEGINS:

- All students arriving/departing school during the school day **MUST** stop at the Main Office to sign-in/sign-out.
- Parents can park in front of the Main Entrance to wait for students leaving for appointments or leaving due to illness until 2:30 PM.
- Parents **DO NOT** need to stop in and sign out their students in the Main Office if the office has been notified of their student leaving. The student will sign out and wait for their parents by the doors.
- If parents need to drop off items (lunches/money/clothing, etc.) for students during school day, please use the Main Office also. All items (labelled accordingly) can be placed on the shelves between the outside door and main office door.

APPOINTMENTS

All student appointments (such as medical, dental, court) must be called in advance to the Student Services office by a parent or legal guardian at (920) 852-5405. Press 1 for Student Services menu and follow the prompts.

Note: Due to the high volume of appointments, if your student is planning on leaving school within 30 minutes on the appointed day, when you call in, please follow the prompt to speak to a Student Services secretary directly.

1. Once the parental call has been made to excuse the student, he/she can notify the teacher of the appointment.
2. The student **MUST** sign-out in the Main Office upon leaving the building.
3. Upon returning to school, the student **MUST** sign back into Main Office. Parents **DO NOT** need to come in when picking up or dropping off your student after an appointment.
4. Freshman leaving school for Lunch Hour must have a parent come in the Main Office for pick up to be excused.

TARDY PROCEDURES

School starts at 7:55 AM daily.

1. A warning bell will ring at 7:50 AM daily notifying students that they have 5 minutes to get to their class.
2. If a student arrives to school after the 7:55 AM bell rings (whether having an excused absence or is tardy), they **MUST** always sign-in with the Attendance Secretary through the Commons entrance. Once the Commons entrance door is locked, all late check-in must be done in the Main Office.
3. Once a student has been tardy for 5 times during a semester (not a quarter), they will receive a detention.

ABSENT REQUEST

Parents/guardians can use the Absence Request found on **Infinite Campus/Parent Portal** tool to submit a request that informs the office in advance when their student is not going to be in school.

This new feature can be used as an alternative to the traditional phone calls to the school office. Read more on how to submit an Absence Request via the Campus Portal.

STUDENT ATTENDANCE

EMBRACE THE EVERY DAY!

DID YOU KNOW?

- By 9th grade, attendance is a better predictor of graduation rates than 8th-grade test scores.
- Frequent absences can be a sign that a student is:
 - Losing interest in school
 - Struggling with school-work
 - Dealing with a bully
 - Facing some other difficulty
- Attendance is an important life skill that will help your teen keep a job and graduate from college.

WHAT CAN YOU DO?

- Make school attendance a priority. Help your child to be on time to school.
- Help your teen maintain daily routines, such as finishing homework and getting a good night's sleep.
- Encourage your teen to join meaningful after-school activities
- Monitor your teen's academic progress and seek help from teachers when necessary.

HOW DOES LATE ARRIVAL AFFECT STUDENTS?

Minutes late per day	Equal days work of teaching lost in a year
5 mins	3.4 days
10 Mins	6.9 days
15 Mins	10.3 days
20 Mins	13.8 days
30 Mins	20.7 days

HOW TO CREATE A GOOD ROUTINE:

- Set a daily schedule with the same wake-up times and bedtimes for each school day complete with study time -- and stick to them.
- Include your teen's deadlines for school assignments and exams on your calendar or planner so they can see what is coming up.

Absenteeism in the first month of school can predict poor attendance throughout the school year. Half of students who miss 2-4 days in September go on to miss nearly a month of school.

MEDICATIONS @ SCHOOL

Medications should be administered at home whenever possible. Parents/guardians are urged to consult with the prescribing practitioner to determine if medications can be scheduled outside school hours. In the event that this is not possible, designated district staff will administer medication according to district policy.

All medications administered by AASD staff are only available to students during school hours (7:30 a.m. - 4:00 p.m.). ***Per the AASD medication policy, non-FDA-approved medications cannot be administered.

PRESCRIPTION MEDICATION

1. The current Medication Consent form, signed by parents/guardians and the prescribing practitioner must be on file at the school.
2. The prescription medication must be supplied in the original pharmacy-labeled package indicating the correct dosage and frequency of administration. This information must be the same as provided on the above-noted form. Only the amount of medication needed at school shall be contained in the package.
3. If changes in the dosage take place, an updated Administration of Medication Consent form, and an updated pharmacy-labeled package will be required.

NON-PRESCRIPTION MEDICATION (over-the-counter)

- The parent/guardian must complete a Medication Consent form.
- Medication must be supplied in the original manufacturer's package with the student's name affixed on the package. Other packages, such as a baggie filled with pills, will not be accepted.

SELF-MEDICATION

Although it is permitted and sometimes necessary, students are discouraged to carry and administer their own medications. If a parent/guardian wishes their child to possess and self-administer medication, please notify the school office to discuss this and to complete the required form.

ADDITIONAL INFORMATION

1. Your pharmacist can provide a second empty labeled container so that you will have containers for home and school. Medication will not be given if in an unmarked container (i.e., baggie, envelope).
2. All controlled substances must be delivered to the school by a parent/guardian or another adult. Parents /guardians are encouraged to deliver the package of medication to the school office to prevent tampering by the child and other students.
3. For controlled substances, school staff will verify the amount of the medication delivered by counting individual units of medication in the presence of either the adult who delivers it or another school staff.
4. Unused portions of medication after the completion of the school year or when discontinued will be disposed of after 7 days if not picked up by the parent/guardian.

Medication forms may be obtained from the school office or from the AASD website: [AASD MEDICATION FORMS](#)

personal electronics procedure C L A R I F I C A T I O N

Student use of personal electronics is not permitted during class time, unless permitted by the teacher. Personal electronics are generally cell phones, earbuds, and headphones but this can include others at instructor/administrative discretion. Class time includes study hall and privilege. Personal electronics will not be utilized in the LMC as the LMC is a classroom area. Personal electronics can be appropriately used during school hours when class is not in session.

Personal Electronics will not be on a student's person during class time. It will be expected that electronic devices be placed in a locker, in a backpack, or specific area of the classroom as designated by the instructor.

A student in violation of the Personal Electronics Policy will submit the device to staff as requested and be held in the Student Services office until a student/guardian picks it up at the end of the school day.

Violation of this policy by students will result in disciplinary action, which may include:

- Application of school disciplinary practices and procedures;
- Notification of parents/guardians or legal custodians;
- Notification of the activities director and/or co-curricular coaches/advisors;
- Notification of law enforcement officials;
- Notification of the District Superintendent or designee;
- Suspension from school;
- Recommendation for expulsion.

WHAT IS THE BOOSTER CLUB?

The Appleton North Sports Booster Club exists to support and advance the athletic program and related activities of Appleton North High School, thereby increasing the skill levels of student-athletes and cultivating clean, wholesome school spirit, promoting good sportsmanship, and developing high ideals of character. The club supports projects to improve facilities and equipment to provide an adequate athletic program for the school.

HOW DOES THE BOOSTER CLUB RAISE MONEY?

- Donations
- Fundraising Activities
 - The Annual Summer Golf Outing
 - Concession Sales

We have 10 active Board member volunteers with several opportunities for you to be involved! The opportunity for YOU to volunteer, and serve on our Board, is vital to the future of our sons and daughters' athletic experiences at Appleton North High School. We need YOU! Our athletes thank you!!!

Contact via email: anh boosterclubpresident@gmail.com and through social media pages.

President's Letter

Hope your summer is off to a fantastic start!

As we soak up the sun and gear up for the new school year, the Booster Club is doing the same, wrapping up a banner year and getting ready for what's next. We're thrilled to report that concession sales surpassed those of past years again, thanks to our rockstar Concessions Chairs, Treasurer, all our volunteers, and, of course, everyone who grabbed a snack. Our recent Golf Outing was another big win. We're still tallying the final numbers, but it was a tremendous success thanks to the amazing North community.

We also welcomed a new slate of officers last month (check out the list in this newsletter). A heartfelt thank you to our outgoing members:

- Doug Salm, our tireless VP and Golf Outing Chair
- Allison Salm, who expertly handled Secretary duties
- Heidi Funk, our Concessions Treasurer, who modernized our payments
- Katie Olp, who kept our team reps and volunteers running smoothly

Their dedication made this past year such a success, and we're grateful for their contributions.

Looking ahead, our next meeting is July 9 at The StoneYard—we'd love to see you

Go Lightning!
