welcome to THIRD GRADE

Hello Third Graders, June 2025

It was so nice to meet you all today! I hope you have a wonderful summer and that you'll be enjoying lots of fun in the sun soon! I know I'm looking forward to seeing all of you when the new school year starts!

Let me tell you a little bit about myself. I grew up in nearby Buckingham and graduated from Central Bucks High School East. I then graduated from Millersville University with a degree in Early Childhood Education. Three years ago, I received my Master's degree in Social-Emotional Learning through Neumann University. I'm currently taking additional classes in education through Trinity University. I've taught grades lst, 2nd, and 3rd at Buckingham (where I went to school), Gayman, and Groveland Elementary!

`I am so happy to be teaching third grade for my fourth year at Pine Run! Go Owls! In my free time, I love to sing and perform in musicals, play the ukulele, paint and sketch, go to the beach, journal, and spend time with my friends and family.

This year in third grade, we will have the opportunity to learn in a lot of new and interesting ways. We'll explore the solar system, motion, butterflies and the ECON marketplace. We'll also continue to read both fiction and non-fiction texts, write stories, poems and essays, learn cursive, and become superstars at multiplication and division!

Our first day of school is Tuesday, September 2nd. Please come with your supplies, a healthy snack and water bottle, and a smile! I can't wait to see you all again soon and get started on our exciting year together as Sica Sunshines!

Your Teacher,

Miss Sica
