

Hello 6th-Grader!

We are so excited to have you joining us this upcoming year in sixth grade! You may have seen us in the hallway before, but we want to introduce ourselves. Our amazing team is made up of Ms. Beck, Ms. McBride, Mrs. Miller, Mrs. Moreau and Mr. Vetack! Together we are looking forward to challenging you and helping you reach your full potential over the coming school year. Remember, together WE make HUES a community - and we're looking forward to this journey together!

During the coming school year, you can plan on learning all about some of our favorite topics! We all love reading and look forward to sharing some of our favorite authors and topics with you. We love hands-on projects in mathematics and dropping eggs from great heights in science as part of our Forces & Motion Unit. We will also dive into the depths of early civilizations such as Mesopotamia, we'll explore cultures that have had a significant impact on modern society like those of Ancient Greece and Ancient Egypt. But most of all, we'll have fun exploring these areas together!

We hope you all have a wonderful, relaxing summer with plenty of adventures. We cannot wait to see you all again in September and are really looking forward to getting to know each and every one of you during our fantastic year together!

All the best,

Your 6th Grade Team

- ❑ 2: packs of Expo (low odor) markers
- ❑ 1: box of tissues
- ❑ 1: soft canvas zippered pencil pouch
- ❑ 1: dozen (pre-sharpened) #2 pencils

- ❑ 1: package of glue sticks
- ❑ 1: package pencil top erasers
- ❑ 1: silent reading book for Day 1
- ❑ 1: 1 subject spiral notebook
- ❑ 1: pack of sticky notes

Mrs. Miller

Hello everyone! This will be my 25th year teaching and 21st year at HUES. As a second job, I'm a dance instructor of a variety of genres for children ages 2-18, I'm the competition team director and curriculum coordinator for The Dance Company in Amherst. In my spare time, I love attending musical productions, spending time with my husband, children Jake (Freshman at Rivier University) and Sydney (Junior in High School), and our Whoodle (Wheaten Terrier/Poodle) Driggs (named after our favorite place from our cross country road trip: Driggs, Idaho), play soccer, walk, and read! I am excited to continue my journey in Hollis with you.

Mrs. Miller

Ms. McBride

I am so excited to be starting my 20th year as a 6th-grade teacher at HUES! I am also looking forward to learning and growing with you all. When I'm not at HUES I enjoy spending time with my husband and our children Willa and Beckett, (as well as our cats, Lucy and Pepper, who are champion catnappers.) I've taught in other places including California, Boston, and Nashua, and love the amazing topics we investigate in sixth-grade. It's so fun to learn about ancient cultures, explore STEM activities, and delve further into literature. I also love traveling, reading, baking, the beach, the arts, pop culture of the '80s and '90s, and being outside in nature. I attended Villanova University and will always root for the Wildcats during March Madness! I can't wait to keep learning with you!

Ms. McBride

Ms. Beck

Hello! I am excited to be back! This is my 24th year of teaching. We live in the district and moved here from Ohio in 2021. I have a daughter who is in grad school at Mass General, a son who is a sophomore at Fordham and another son who is in 7th at the middle school. We have 5 animals and we are a big sports family. When we are not at tournaments or games we love to go boating, travel to new places. See you soon!

Ms. Beck

Mr. Vetack

Hello future 6Vers, I am excited to meet you all this coming school year. I grew up in Milford, NH, and went to college at nearby Keene State. Go Owls! When I am not teaching, you can find me pursuing my other passions. I enjoy going for runs around town and the many trails in New Hampshire, playing pick-up basketball with my friends, or on the water catching some fish and on the greens sinking putts. In the winter months, I enjoy skiing and attempt to make it down the mountain without wiping out too often. On days I am not outside being active, I love to read and am always looking for a new book to dive into.

Mrs. Moreau

Hello future 6th graders! You might recognize my name as a former 4th grade teacher here at HUES. After 16 years in 4th grade, I am incredibly excited to begin my 19th school year in 6th grade! When I am not at HUES, I am spending time outdoors with my 3 boys--Carter (7th grade), Caleb (2nd grade) and Cohen (kindergarten), our 1 year old Boxer pup Rosie and my husband Jarod. We love to go for walks, ride bikes, hike, swim and just enjoy the sunshine on the swings. When I'm not doing mom things, I enjoy running (I'm running the NYC Marathon in November!), reading mystery or historical fiction books, watching football, and hanging out with my besties. I am so excited to embark on this new adventure with you!
