

2026-2027 Boundary Transition Update

August 4, 2025

Purpose of Tonight's Update

- Provide a high-level overview of transition goals
- Share current progress and planning underway
- Preview engagement efforts for Fall 2025
- Highlight upcoming transition updates

A Significant Shift

- Balances enrollment and modernizes building use
- Expands middle school programming access to all 6th graders
- Increases equity in specialized programming (Dual Language, Gifted, ESL, Special Education)
- Allows us to responsibly close and open facilities
- Supports student belonging and smoother grade transitions

Work Completed to Date

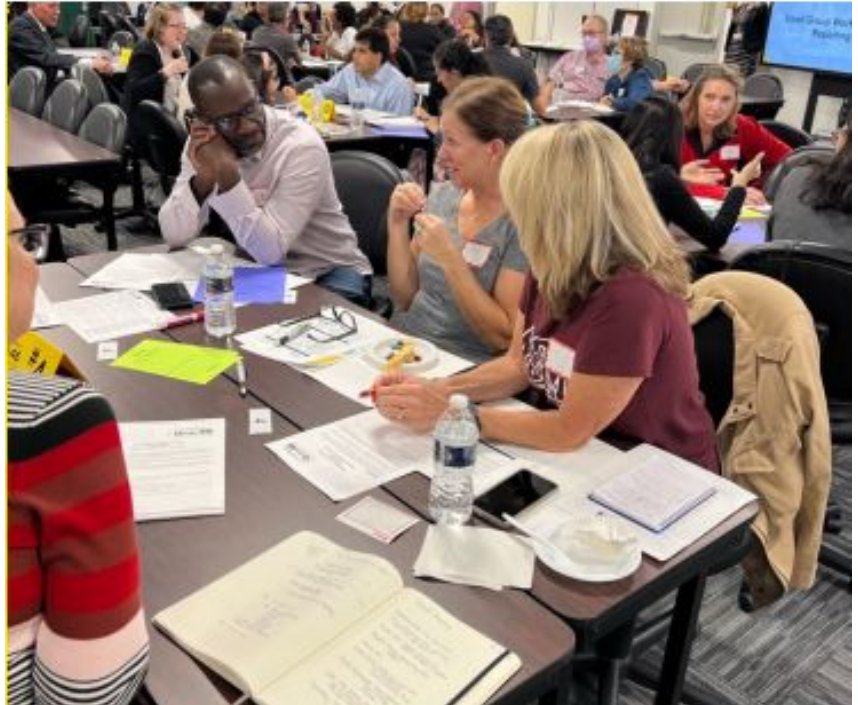

- Finalized boundary maps, feeder patterns, and grade alignments
- Updated School Locator and program assignments
- Finalizing 6th grade curriculum and resources
- Finalizing communication, staffing, and logistics strategy
- Creating multilingual communication templates and family tools

Fall 2025 Preview

- Host the remaining community forums at affected schools
- Roll out translated school assignment letters
- Begin “school highlight reels” to introduce receiving schools
- Launch newsletter, social media, and parent outreach campaign
- Finalize programming for multilingual learners and special education

Monthly Updates - What to Expect

- **Monthly updates through August 2026**
- **Topics will include:**
 - Programming and curriculum
 - Staffing progress
 - Community events and feedback
 - Summer move plans
- **Opportunities for Board feedback and questions**

Thank You!
