ABOUT ME

Hello! I'm 1st Lt. Mark Howard, a helicopter pilot and officer in the Army National Guard. I hold a Bachelor of Science in Aviation Logistics and bring real-world aviation and leadership experience into the classroom. This is my second year teaching the Cadet Program here at CE King Middle School and also my second year as a member of the Civil Air Patrol. I'm passionate about mentoring students and helping them grow into disciplined, confident young leaders.

OUR GOALS

Our Cadet Program is built on four core pillars that shape well-rounded young leaders:

LEADERSHIP

Cadets develop responsibility, discipline, and teamwork by engaging in practical leadership experiences.

AEROSPACE EDUCATION

We inspire a love for aviation and space with engaging lessons, hands-on projects, and orientation flights.

FITNESS

Cadets develop lifelong habits of physical wellness through regular fitness activities and personal goal-setting.

CHARACTER DEVELOPMENT

We promote integrity, respect, and service to others, helping cadets grow into responsible citizens.

2025 TEXAS WING CONFERENCE

MAY 1-4, 2025

EMBASSY SUITES
3100 TOWN CENTER TRL
DENTON, TX 76201

HOW YOU CAN HELP

Parents and guardians play a crucial role in the success of our cadet program! You can support your cadet and our squadron by:

- **Volunteering as a Senior Member or Cadet Sponsor Member with the Civil Air Patrol.**
- **Helping chaperone field trips, drill activities, or community events.**
- **Encouraging your cadet to stay engaged and meet their personal goals.**
