| **Building Capacity with Branching Minds (Leaders - On-Site)**<br>This session includes everything from Building Capacity for Teams (outlined above), plus strategies for addressing common leadership challenges. Participants will get an overview of intervention plan development, learn strategies for addressing internal and external challenges related to platform implementation, and complete a self-assessment of current levels of MTSS implementation using the BRM Self-Assessment of MTSS Implementation (SAMI) tool. They will also learn how to effectively establish a school MTSS team, utilize the platform to evaluate the health of their system, and develop a communication plan for implementing the BRM platform. Each session is 3 hours for a maximum of 35 participants. | 1 | $3,900.00 | $3,900.00 |
| **Making Data-Based Decisions with Branching Minds (Teams - Remote)**<br>In this session, participants will learn to: Use the platform for assessing staff/adult practices (e.g., Usage Report, unpacking missing support plans, examining To-Do lists) Take a temperature check of student performance (e.g., using the Tier Level Report) Evaluate the fidelity of existing support plans (e.g., check that goals are set, interventions are assigned, minutes are delivered) Monitor the progress of support plans (e.g., evaluate goal attainment) Analyze trends and evaluate instructional impact (e.g., use Tier Movement and Implementation Health Reports) Evaluate implementation goals that were set during the Building Capacity session and identify any barriers that impacted goal achievement. Participants close the session by designing an action plan of practices they need to stop doing, continue doing, and start doing. Each session is 3 hours for a maximum of 35 participants. | 3 | $1,600.00 | $4,800.00 |
