Hello Kaylee Yinger,

Pursuant to the South Carolina Public Records Act (the "Act"), I am requesting copies of all evaluation documentation and submitted bid responses from all vendors on the solicitation issued by "Beaufort County School District (SC)" for "Solicitation Number 25-019 - School District Mass Notification System and Two-Way Messaging System RFP".

If available, electronic format is preferred. A DropBox link can be provided to place soft copy documents. If hardcopies need to be made, please advise me of associated charges prior to making copies.

I understand that it's not always possible to meet the standard timelines associated with Open Records requests. I request, however, that an email response is sent to confirm that the request has been received and an estimated time frame that the district will need to fulfil it.

Should you have any questions, please contact me at [redacted]

Thanks & Regards
